HOLD HOMECOMING DANCE

Inhalator Saved Life at Mokena Fire Sunday

The Mokena Volunteer Fire Department has been working to get an inhalator for Mokena, and the need of it became more apparent at the Shopping Bag fire early Sunday morning. Here is shown Jack Gorman on the Frankfort stretcher with oxygen being administered to him by Lynn Kohlhausen of the inhalator squad of Frankfort with Robert Bridge of the Tinley Park inhalator squad watching details. Stanley Warning and Les-

ter Gay of Frankfort assisting. After Dr. Irving Rudman of Frankfort had pronounced Mr. Gorman out of danger he was removed to his home on the Tinley stretcher, shown here at right.

This incident so clearly brought home to the Mokena people the need of an inhalator that right there and then, some one grabbed a pail, had a sign made for it and went among the people collecting money for

that purpose. Everyone was grateful for the generosity of the people at the fire, as after counting the pail's contents, there was \$324.00. Previously the Mokena Amvets had given a portion of their dance fund for this fund which was \$115.00, making a grand total of \$439 received for the inhalator.

At the meeting of the Mokena Firemen Tuesday night plans were made to secure an inhalator at once.

Frankfort Lions Plan Fruitcake Sale in November

The Frankfort Lions club is planning another fruit cake sale in November to help finance club projects for the coming year.

Last year the sale was highly successful and provided, among other things, the building of the shelter at the skating rink.

Plans are being made this year to erect lights for the rink and plant trees at the park in conjunction with the park board's tree planting program.

Lion President Ted Massey appointed Glen Warning chairman of the cake sale committee. The tentative date for the cake sale has been set for Saturday and Sunday, Nov. 17 and 18.

ADULT CLASSES AT LINCOLN-WAY

Adult Education classes at Lincoln-Way will start Oct. 2 and 4. Courses in shop, agriculture, arts and crafts, home economics, speech and dramatics, typing and shorthand will be offered. Registration is today, Sept. 27, at the high school. Anyone wanting more information may call the high school, New Lenox 2051.

PARENT-TEACHER GROUP

The Parent-Teacher group of the Lincoln-Way High school will meet in the school Wednesday, Oct. 3, at 8 p.m.

Movies will be shown on corrective reading.

Affair on Saturday To Help Recoup Homecoming Loss

Mokena Actors To Stage Play Nov. 2 and 3

The successful Broadway play by Norma Krasna, "John Loves Mary" was selected by the Mokena Village players for their next production which will be given in the Mokena school auditorium, Nov. 2 and 3.

The first fall meeting of the players was held in the home of Mr. and Mrs. Philip G. Lenz with the president George Carlisle presiding. Mr. Carlisle asked all to enter the try out which followed. He also presented Mrs. Lois Loebe of New Lenox who has consented to direct the play and choose the cast.

The Players feel most fortunate to have Mrs. Loebe assisting them in this capacity as she has had much experience in both acting and directing in the midwest and eastern states and recently directed the New Lenox Players and the YMCA Players group in Joliet.

Six weeks of work with many rehearsals is necessary for the actors and committee members to produce a play. Rehearsals are to start at once and the names of the leads, Mary and John, with the supporting members of the cast, will be announced as soon as the final selection is made.

The Players formed a group six years ago and since that time have produced many interesting plays with most the proceeds donated to a Mokena Village activity. Work with the Players is interesting and instructive. Many new comers to Mokena are joining the group. Everyone interested in amateur theatricals is welcome and a large number of members is expected this year.

Nov. 2 and 3 will be two gay nights in Mokena with the Players showing the difficulties even though John does love Mary.

50 Guests Surprise John Marti on His 91st Birthday

John Marti, of Caton Farm, west of Joliet, was surprised at his home Sunday afternoon, Sept. 23, when over 50 members of the Marti family visited him on his 91st birthday.

Among the guests were his sister, Mrs. John Minger, of Joliet, who celebrated her 88th birthday Aug. 28. Both Mr. Marti and Mrs. Minger formerly resided in and near Frankfort and are well known in that area.

Pictures were taken of the group and a potluck supper was served.

Guests were from Frankfort, Mokena, New Lenox, Joliet and Troy.

America's rapidly expanding export market for coal has for its hard core Western Europe's demand for metallurgical coal, expected to rise to 22.5 tons in 1956 from 17.5 tons in 1955.

Lafayette presented the key to the French Bastille to George Washington and it may now be seen at Mt. Vernon.

The 1956 Mokena Homecoming Committee invite local and surrounding community residents; their friends and guests to the Fall Festival dance and game party being sponsored by all the participating organizations.

Homecoming and special prizes, of which there is a very large assortment, will be awarded.

Miss Beverly Lauffer, the 1955 Homecoming Queen will pass her crown to the 1956 Queen, Miss Sheila Bennett, who will reign over the festivities.

The affair will be held in the V.F.W. hall in Mokena this Saturday evening, Sept. 29. The games and refreshments will start at 8 p.m. downstairs.

Dancing will be held upstairs from 9 p.m. to 1 a.m. A popular orchestra has been engaged for the dance.

Tickets may be purchased at the door or at any of the following business houses: Roy Richardson's Market, Cooper and Hostert Garage, Donna's Coffee Shop, or Swanberg Farm and Auto Service.

To Recoup Storm Loss

The Fall Festival party and dance is being given to help recover the disastrous loss caused by the rain and storm which ripped thru Mokena during this year's Homecoming. The proceeds are needed to support the budget of the Mokena Community park and continue the program, also to assist the many organizations who put so much time and effort into the Homecoming.

This is a chance to help the committee achieve its purpose and of having a good time.

Attending School Of Floral Art

Mrs. Joseph Bernardin, of Bernardin's Plant House, Mokena, is taking a special course of instruction at the American Floral Art School, famous training center for florists. The school has graduates in leading flower shops in all parts of the United States and in many foreign countries.

Student florists learn how to arrange cut flowers for all occasions, whether for a birthday gift, a party centerpiece, flowers for the hospital or for any other purpose. Special instruction is received in making wedding bouquets, especially the newer and more unusual types. Students learn to style corsages and other flowers for personal adornment to suit the personality and costume of the wearer.

Lions Paper Drive In Mokena Tonight

The monthly paper and scrap drive is being held tonight in Mokena, starting at 7 p.m.

Paper should be tied in bundles and placed in front of homes.

The Lions club use the money derived from the sale of the paper to pay the rent of the Mokena library and request home-owners not to put the paper out too early so as not to be picked up by other individuals.

Five Companies Fight \$100,000 Fire at Mokena

Two fires of unknown origin broke out almost simultaneously Sunday morning in Mokena.

The first fire was noticed in the Robert Kreml tavern about 12:30 a.m. when smoke was discovered coming from a stock room at the rear of the tavern. The Kremls were observing their wedding anniversary and there were many people in the tavern. When the people were asked to leave the tavern, which was done in an orderly manner, it was then first noticed that The Shopping Bag, a supermarket across the street, was also afire.

The Mokena fire department had already been called to the tavern and only its prompt response, saved the tavern from being wiped out by the blaze. When the Shopping Bag fire, which was burning at a good speed being fanned by a west wind was seen, calls were made to the Frankfort, New Lenox, Orland Park and Tinley Park fire department to fight the fire at the Shopping Bag, when local fire fighters were unable to leave the fire at the tavern. The fire seemed to have started in the rear of the store.

These departments made the trip to Mokena in record time and later when the fire at the tavern was extinguished, the Mokena department joined them. Had it not been that another fire occurred at the same time, the fire fighters at Mokena state they could have easily extinguished the Shopping

Dealers Display 1957 Fords to Public Oct. 3

Next Wednesday, Oct. 3, will be another Red Letter day in the life of the Ford cars when the dealers in this section, will hold open house all day and evening to display the new 1957 Ford cars.

The dealers, Cooper Show at Frankfort, Cooper & Hostert at Mokena, and English Bros. garage, Tinley Park, are inviting everyone to attend and see the big changes made in the Ford cars.

For the first time in its 53-year history, Ford Motor company will produce two sizes of Ford cars. The 19 new models to be unveiled Oct. 3 will have the highest performance engines ever offered in the low price field, according to the Ford company.

There are two basic sizes, Fairlane and Custom, plus the station wagon series each with its own body and chassis. In addition, the Fairlane series has been expanded to "Fairlane 500" which has extra luxury features.

These cars are nine inches longer and four inches lower than last year's cars. Station wagons are 3 1/2 inches lower and

nearly six inches longer. "There has been no sacrifice of head room inside the car, in spite of their reduced height," Mr. McNamara, Ford Motor company vice president and Ford Division general manager stated.
He said the design and styling are new from the ground up. Riding ease has been greatly improved; greater use of insulation; stronger alloy metal to add to durability; longer-wearing fabrics and plastics; new styling wide hooded headlights and a forward slanting grill, streamlined wheel openings, safety door latches, new shock absorbing area over the steering column and roofs have been strengthened with steel center bows.

These are just a few of the many improvements, that must be seen to be appreciated.

The above mentioned local Ford companies cordially invite everyone to attend their open house and take time to look over the new Ford cars and station wagons.

Seek Funds For Building New Hospital

Plans to complete the soliciting organization for the forthcoming Christ Community Hospital Building Fund campaign were formulated recently at a meeting of community chairmen, E. Gordon Stubbe, general chairman of the area-wide drive announced yesterday.

The drive will seek funds in several southwest suburban communities considered the primary service area of the contemplated new hospital, including Oak Lawn, Evergreen Park, Palos Park, Palos Height, Worth, Chicago Ridge, Orland Park, Scottsdale, Columbus Manor, Mt. Greenwood, Hometown, Beverly Hills Hickory Hills and Grandview.

Mr. Stubbe pointed out at the meeting that each of the communities to be covered in the campaign will have their own soliciting organizations. Speaking to community chairmen represented at the special meeting last Tuesday, Mr. Stubbe said, "A minimum goal of \$750,000 will be sought from the communities to be served by the new hospital. This sum together with endowments and advanced gifts already in hand will form the financial base upon which a hospital more than \$4,000,000 will be built."

The building will be located on a 20 acre site on 95th st. in Oak Lawn between Kilbourn and Kostner sts.

Serving as community chairmen in the drive are: Joseph H. Tanner, and Louis Brunius, Evergreen Park; Clarence Felstead, Oak Lawn; Al Payne, Mt. Greenwood; Francis J. Walenta, Columbus Manor; Mrs. Raymond L. Reese, Chicago Ridge and E. Neil Lyon, Worth. James Weeks of Oak Lawn is serving as associate general chairman of the drive.

Andrew Jackson lived with his wife for two years when they found that her divorce from her first husband was not valid.

The Bible is a CATHOLIC Book

People differ radically in what they think about the Bible. Some seem to think it was handed down from Heaven written in English and bound in morocco. Many accept it as the inspired Word of God without knowing why they are justified in doing so. And others say that the Bible is full of contradictions and must be taken "with a grain of salt."

A proper understanding of the Scriptures can exert a tremendous influence for good in your personal life. You should, therefore, know where we get the Bible... what it means... why you can believe its every word.

Nowhere in the Bible text will you find a list of the 73 inspired books of which it is composed. This list was given to the world by the Catholic Church almost three full centuries after the Crucifixion of Jesus Christ. Between the time of the Crucifixion and the time the Scriptures were gathered into a single Book, millions had received and accepted the teachings of Jesus Christ... and had died without ever seeing the complete Bible.

Established by Jesus Christ Himself and rapidly spread among the nations of the world, the Catholic Church was carrying on Christ's work for the salvation of men some 60 years before the Apostle John wrote his books of the New Testament.

For more than a thousand years afterward, the Scriptures were preserved and circulated by Catholic monks and scholars who laboriously copied the sacred text by hand. And the Bible authorized by the Catholic Church was the first book produced by Gutenberg upon the invention of printing.

Yes, the Bible is truly a Catholic book. They were members of the Catholic Church who, under God's

inspiration, wrote the New Testament in its entirety.

It was the Catholic Church which treasured it and gave it to the world in its original and unaltered form. It is the infallible authority of the Catholic Church that always has been the only sure guarantee of its inspiration.

There are obscure and difficult passages in the Bible, some of which may seem confusing. But with the complete revealed truth of God, delivered to her from the beginning, the Catholic Church has faithfully unfolded the meaning of the written Word of God to past generations of mankind — and does so today.

Those who are familiar with the Bible, as well as those reading it for the first time, will find many important questions concerning it answered in an interesting booklet which we shall send you in a plain wrapper free on request. And nobody will call on you. Ask for Pamphlet No. KC-3.

Add More Courses To Com. Center Educational Program

Several additional courses have been added to the educational program which will start at the Community Center Foundation in Palos Park Tuesday, Oct. 9. Following a survey to determine areas of interest, the educational committee found a special demand for courses in psychology, religion, fundamentals of art and music appreciation. These will be taught by specialists in each field and are now open for registration.

Previously announced courses in painting, ceramics, and wood working have received a large response and can accommodate only a few more at present. Classes in ceramics start Monday evening, Oct. 1 and Wednesday afternoon, Oct. 3. Painting classes will open Tuesday, Oct. 2, and woodworking Oct. 9.

Chester, common ending for English town names, comes from the Roman word *castra* meaning camp, since many were originally Roman camp sites.

Experiments in flying were carried on by the Wright Brothers at Kitty Hawk, N. C., because winds there are steadiest and strongest of anyplace in the United States.

Sandburg Defeats Bremen 7 to 6

Knights Bow to Evergreen, 12-6; Tackle Bremen at Lincoln-Way

By Denny Wheeler

The Evergreen Park Mustangs dealt Lincoln-Way Knights a heartbreaking defeat last Friday 12-6 on the Evergreen gridiron. The Knights threatened in the final seconds, but the clock beat them on the one yard line with a second down situation.

The game got off to an exciting start as the Knights drove deep into Mustang territory. Fredin pitched to Studnicki, and the star halfback ran his point total to 30 as he scored from ten yards out. The extra point was missed.

The Chicago lads were quick to retaliate as they showed powerful line play to tally the equalizer. Raymond drove four yards off tackle for the score. The conversion failed.

Neither Team Yields

In the second quarter, neither team had success on offense. Lincoln-Way's defense was highlighted by the great play of end, Ed Woodward. Finally, just before the half, Lincoln-Way threatened seriously. Fredin's pass to Hermann for 13 yards put the Knights in Mustang territory. However, on the next play, Fredin drifted back to throw and was rushed by six Mustang heavies. In desperation Ron lateraled off to Morrie Wade who was immediately tackled resulting in a 23-yard loss. The drive stalled as the Knights were unable to regain the necessary yardage for a first down.

This tight defensive play continued in the third quarter. However, with the Knights attempting to organize an attack from their own 26-yard line, Ron Fredin, attempting to pass was rushed, and dropped on the two yard line for a 24-yard loss. Wade punted and Evergreen ran the ball back to the L-W 27-yard line. Lincoln-Way's defense was smashes of the Mustangs, and not equal to the devastating Yost drove over from the six to put them ahead 12-6.

Knights' Attack Fails

Lincoln-Way moved well early in the fourth quarter. A quick pass to Hermann gained a first down. Folkers drove off tackle for eight yards. Gullicksen catapulted to another first down. Studnicki raced 15 yards around end. However, a pass

from center was fumbled, and the big attack was stifled.

After the referees signaled that only four minutes remained, the Knights tried desperately to regain possession of the ball. Finally, with two minutes left, Lincoln-Way took over on their own 20 yard line. The team put together a dramatic drive highlighted by two long pass gains, Fredin to Morrie Wade. On the latter, Wade spun to the Evergreen four yard line.

Co-captain Woodward called time out as only a few seconds remained.

When play resumed Fredin pitched to Wade who tried left end, but no hole developed. Red drove hard but was turned back on the one yard line. The time expired here, and Lincoln-Way had lost their first game against one win.

Tomorrow the Knights tackle the Conference champs, Bremen, at Lincoln-Way. Bremen is winless so far this season, losing to Shields and Carl Sandburg. It should be a tooth-and-nail battle with two fine football machines colliding. It's a good time for the Knights to get back on the trail to victory.

On September 22 Lincoln-Way freshmen-sophomore team met Evergreen Park on Evergreen's home field. The game ended with Evergreen on top 7-0.

In the first play from scrimmage in the second half Bob Hughes, Lincoln-Way's quarterback threw a pass which was intercepted by an Evergreen player who ran 20 yards for the score. That ended the scoring for the game. Jim Lee and Don Madsen played a very outstanding defensive game for the Knights.

The Lincoln-Way freshman-sophomore team plays Bremen at 9:30 a.m. Saturday, Sept. 29, at Lincoln-Way.

Next Game With School Band is Important Part Of Curriculum

Carl Sandburg's High school football defeated Bremen, the 1956 conference champions Friday afternoon by a 7-6 score to remain undefeated in southwest Suburban Conference play. The Eagles spotted Bremen an early touchdown when they fumbled on their own 17 yard line and Bremen recovered and scored in five plays. The attempt to kick the extra point failed and Bremen led 6-0.

Sandburg took the kick-off after the touchdown and exploded for 80 yards in a sustained drive that ended with Chatlosh driving over from three yards out for the tying score. On the try for the extra point, Chatlosh faked up the middle and swung around his own right end to make the score 7-6. There was no other serious scoring threat by either side the remainder of the game altho two 15 yard penalties against Carl Sandburg on the last two plays of the game allowed Bremen to move fairly deep into Eagle territory as time ran out.

The first 1956 home football game unfolds Saturday at Carl Sandburg High school as the Rich Rockets open their conference season and attempt to dislodge Sandburg from the top spot. Rich has won and lost in non-conference play. The freshman-sophomore game will start at 12:30 with the varsity game to follow. With this win over Bremen and defeat to Elmhurst (18-14) the Sandburg Eagles appear the best in the short history of the school.

Following the opening season 0-0 tie with Elmhurst, the Sandburg freshman-sophomore team defeated Bremen Saturday morning before a large and enthusiastic crowd, 13-6. Bremen recovered a Sandburg fumble in the first quarter and easily moved to a first period lead of 6-0. In the second quarter, with time running out, Hosier passed to Johansen for a 47-yard pass play and Johansen took the ball behind the Bremen safety man and raced all the way for a touchdown. The try for extra point was no good and Sandburg was behind at the half 7-6. In the third quarter, two Hosier passes found their marks to spearhead a Sandburg drive that carried to the two yard line where Hosier sneaked over for the second Sandburg touchdown. McBride kicked the extra point. On this kick the ball hit the upright and skimmed over the bar for the extra point and Sandburg led 13-6.

The Sandburg offense, with Hosier's passing, and fine running by Freer kept Bremen in hot water most of the game. This was the best game both offensively and defensively the Sandburg freshman-sophomore squad displayed in the short history of the school. The powerful Rich Rockets will challenge the conference lead now enjoyed by Sandburg in a 12:30 game this Saturday.

Fathers' Club Builds Stand And Bleachers

The Father's club of Carl Sandburg High school have constructed a stand 15 feet high on the west side of the school athletic field. They also built and installed three bleachers on the east side of the field.

During Saturday's game Sept. 29, between Sandburg and Rich High school, which starts at 2:30 p.m. members of the club will take movies of the game.

part of the curriculum of the Bremen Community school.

The band has been invited to play at the Northwestern-Tulane game at Evanston on October 6, 1956. Tentatively scheduled for Sunday, December 16, is the band and BCHS choral concert. On March 1, 1957, the band will appear in a concert and will go on a tour of the elementary schools that have facilities to accommodate such a large musical group.

Paul J. Scharfenberg, band director, said, "Band work gives the musician who is a potential soloist a chance to work in an instrumental group and prove himself in group action."

This in another in a series of articles to be presented in this newspaper by John Stanfield in order to acquaint you with the various extra-curricular activities offered by the Bremen Community High school in Midlothian.

Business and Finance

Maurice P. Angland

It has been estimated that private and public expenditures for research and development are currently at the rate of \$5 billion dollars per year with private sources spending \$3.7 billions and the government the balance.

Considering the advance in research, with more than 4,000 U. S. corporations currently maintaining their own research laboratories, the National Association of Investment Companies in a recent report states, "Growing emphasis on basic research is a development of vital importance to American investors, increasing both the risks and the potential rewards of equity investing."

The N. A. I. C. points out that laboratory operations require trial and error methods with only about 10 per cent of projects undertaken actually reaching the direct product stage. They point out that this makes for close scrutiny to determine relative chances of success.

The electronics and chemical industries have been leaders in the field of research. What is loosely termed the "electronics industry" is not an industry at all, but many industries of various types in which the common denominator is an interest in the science of electronics. The computer and business machine industries are becoming vitally interested in electronics as is the printing equipment field.

The N. A. I. C. cites a few corporate research budgets which are increasing at an unprecedented rate. They point to A. T. & T.'s annual allocation of \$113 million and Dupont's \$70 Million. In addition they mention General Motor's new \$100 million research center, U. S. Steel's \$10 million laboratory, Union Carbide and Carbon's \$6 million research facilities, and Curtiss-Wright's new \$70 million

research and development center. This new research center is to be devoted to aerodynamics, thermodynamics, metallurgy, chemistry, nuclear energy, electronics, electronics and plastics. Radio Corporation of America has a \$12 million program for development of color television.

Commenting on the results of scientific research, David Sarnoff, Chairman of the Board of R. C. A. said "Progress is born of change as illustrated by the fact that during 1955, 80 per cent of R. C. A.'s total sales were in products and services which did not exist, or were not commercially developed 10 years ago. The majority of these new products and services were created through pioneering efforts that involved substantial expenditures for research, development and engineering."

The pathway between the laboratory and sales department is sometimes slow. An example of this is the "Picture Phone."

The "Picture Phone" permits the telephone user to see the person called. No estimate has been made of the money and time Bell Laboratories spent on this development nor the additional time and money needed to bring it to the marketing point. However, an A T & T spokesman stated, "We wouldn't be monkeying around with the thing, if we didn't believe we could offer it to telephone subscribers in the not too distant future."

The "Plant Illinois" Committee suggests a novel gift idea that will be equally well received by "the person who has everything" and the young couple just moving into their first home. A specimen shrub, tree or evergreen, the committee

says, makes an unusually welcome gift—one that literally gives pleasure all year 'round. The cost can be varied to fit the giver's budget—from a single shrub that costs less than

THIS IS WHERE TOMORROW STARTS

A new "inner car" gives you a NEW KIND of FORD for 1957! Coming October 3rd.

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news . . . a car totally new in design from crest to trunk lock.

This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because . . .

This is Where Tomorrow Starts . . . with a Big New Kind of Ford!

The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep-down inside.

The New Inner Ford

The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.

The New Ford Body

The new Ford body is a triumph of engineering in steel. The doors close with the solid finality of a bank vault. Even the door-lock button has been moved up front—easier for you to reach, but out of the children's reach.

All these features were engineered to give you a solid new kind of comfort.

The New Ford Ride

The New Kind of Ford sits six people as no other low-priced car has ever sat them

—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's hat room to spare for all six passengers.

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, flight-hearted ride—this car is responsive, nimble, agile, with a proud easy movement.

The New Ford Choice

Ford offers not only one, but two sizes of cars . . . each on its own extended wheelbase . . . each with its own body shell . . . each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious inte-

riors and elaborate trim. The Custom Series also includes a Business Sedan.

Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in this field!

The New Ford Look

That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from road to roof! The Custom is just over four feet nine inches!

The new Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series, a shade less in the Custom. It's a nice kind of fun just to look at it. It's high-priced in every way except price.

The New Ford Performance

You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor.

For "Six" lovers, we've got the 144-hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!

Here is where your own tomorrow starts

It starts at your Ford Dealer's showroom!

The cars will be there on Wednesday, October 3.

These are the best Fords of our lives.

They are the first symbols out of Detroit of the new automotive age that is beginning for you.

This is where tomorrow starts—at your Ford Dealer's.

This is when your tomorrow starts—October 3rd.

Come in and see us for the Big New Kind of Ford!

The Frankfort Mokena Home Bureau met Sept. 18 in the home of Mrs. William Seeman in Frankfort with 8 members present. Mrs. Emil Groth gave the major lesson on care of small electric equipment. The monthly family night was held Saturday night in the home of Mr. and Mrs. Lawrence Kohl. The bureau decided to hold meetings in the evening starting Oct. 30, which will be held in the home of Mrs. George Smego at 7:30 pm., when it is hoped that more members will be able to attend.

The Rev. and Mrs. William Riemann spent Sunday afternoon and evening with their son Dr. Robert W. Riemann and wife at Ottawa.

The Evening circle of the WSCS of the Methodist church will give a chili soup dinner in the educational building of the church Saturday evening, Oct. 6 serving from 5 to 7 pm. They invite everyone to attend.

Mr. and Mrs. Roy Kropp and sons David and John were dinner guests Saturday evening of the Rev. and Mrs. William Riemann.

Mrs. George Kreml has just returned from spending two weeks with her sister at Miami

Beach, Fla.

Mrs. Clarence Miller and Mrs. Arthur Jackson of Woodland circle entertained at a birthday party Sept. 17 in honor of Thomas Miller, two year old son of Mr. and Mrs. Clarence Miller. Guests were Bridgett Hoolehan, Karen and Tommy Bobble, Mary Robinson and Debby and Kenny Fortman all of Woodland circle; also Mary Beth and Fritz Flor of Tinley Park and David and Roxanne Bellas of Joliet, cousins. Games were played and everyone had a big time with the "fish pond" game. Later refreshments were served.

Mrs. Fred Cappel underwent surgery Tuesday in Silver Cross hospital. A call for blood donors was made.

Mr. and Mrs. Willard Martie, Mr. and Mrs. Edward Martie, and Mr. and Mrs. Edwin Hirsch and daughter Judy of Chicago Heights visited with Mr. and Mrs. Jack Martie at Palatine, Sunday afternoon.

About 35 relatives and friends of Chicago of Mr. and Mrs. Martin Medema gathered at their home last Sunday where they enjoyed a picnic party on their spacious lawn. A potluck dinner and supper was enjoyed, followed by horse shoes and other games.

Kirk Stauffer, 6 year old son of Mr. and Mrs. Don B. Stauffer, of Mokena, is making a two-week appearance on the "Romper Room" video kindergarten show, on channel 9 from 11 to 11:15 a. m.

Kirk is in the first grade at

the Mokena public school taught by Mrs. Minnie Pester.

Fall-Fed Pastures Give More Grass, Extra Proteins

CATTLE can have extra days of grazing this fall and an earlier start on fields next spring when permanent pastures are top-dressed with fertilizer this fall, reports the Middle West Soil Improvement Committee.

Fertilized pastures get off to a quicker start in the spring and usually produce more grass per acre and more protein per pound of grass, according to studies by Midwestern agronomists.

Some agronomists say that fall application of fertilizer are preferable to spring applications in many respects, because of the firmer footing for trucks and spreaders.

Earlier pasturing in the spring on fall-fertilized fields can mean important savings on feed bills.

Bluegrass stays palatable later in the summer when it is well

Extra grazing days, plus thicker, higher-quality grass come from fall-fertilized permanent pastures.

fertilized and it recovers earlier in the fall for precious extra days of grazing.

In tests on 58 farm pastures in Wisconsin, the use of fall-applied fertilizer returned \$63 per acre after deducting the cost of fertilizer, according to C. J. Chapman, extension soils specialist.

The pastures received a fall application of 500 pounds per acre of 10-10-10 fertilizer, containing nitrogen, phosphate and potash. Each of the plots yielded an average of 3,562 extra pounds of dry matter per acre from two clippings. Chapman says this increased yield represented a return of \$3.50 for every dollar invested in fertilizer.

New Front in 'Cold' War

Science has opened "a new front in the cold war" against sniffles and sneezes—as Zahra Norbo, Miss Sweden 1955, illustrates here—with a basic new drug extracted from orange and lemon peels.

Discovered by a Nobel prize-winner and called citrus bioflavonoids, they are termed in recent research "the most promising weapons yet" against man's most costly, widespread ailment.

Medical studies report the citroid substances "wipe up" sniffles and sneezes "in five to 43 hours," cut cold incidence in half and reduce average duration from seven to four days.

Since the average of three colds a year suffered by Americans each cost \$10.00 in lost wages, production and medical expense, and with the first of the anti-sneeze weapons now available without prescription as Citroid Compound, the orange peel drugs are expected to save millions annually.

Firemen fighting the fire in the Shopping Bag at Mokena after fire was under control.

Forlorn and desolate is the scene after the fire at Mokena's Shopping Bag, which completely destroyed the contents and building. A portion of the south wall remains as well as a small portion of the north wall. This was a well built brick structure with concrete floors.

customers the best prices and merchandise possible.

Robert Fredin of Frankfort, owner of the building estimated his loss at \$43,000, according to the latest appraisal. Both Fredin's and Thoresen's part in the loss were insured.

Fredin stated he is planning to rebuild, increasing the former size by 25 feet, making it 42 x 125 feet.

Because of these two fires

FIVE COMPANIES:-

(Continued from page 1)

Bag fire. As it was, the combined efforts of all department were necessary to prevent that fire from spreading, even though, because of the head start, the Shopping Bag could not be saved. It was completely destroyed.

There was a big crowd at the fire with many thousand feet of fire hose spread along Wolf road, where the tavern and Shopping Bag are located, and also spread on other nearby streets where connections were made at fire hydrants. There was at all times a good flow of water with good pressure and with the exception of a few the crowd was orderly.

The exception occurred when Jack Gorman, Mokena, who was manning a hose on the west side of the store, was overcome by smoke. He was removed to the Frankfort rescue squad at the fire where oxygen was administered. It was during that occasion that a man standing by, called the firemen a bunch of hicks and loosened the valve at the top of the oxygen tank. There were also several occasions where the hose, filled with

water were driven over by motorists. It was pointed out that this is a dangerous thing to do, as it very easily can break the hose, which is expensive, and if broken at the time, could interfere seriously with the fighting of the fire because of the stopping of the water in the hose being manned from that source, and the water running wastefully. There is a \$25 fine imposed for acts which hinder fire-fighting equipment.

The Tinley Park inhalator ambulance removed Mr. Gorman to his home when he was revived.

Ralph Thoresen, owner of the Shopping Bag, stated he had left the store at 9:10 p.m. and went directly to his home in Frankfort. He did not know of the fire until he was called from Mokena when he came over at once. He was speechless with shock, surprise and disappointment as everything he had in the store was a complete loss. He estimated that the merchandise lost in the fire was around \$22,000 and the fixtures valued at \$35,000. He had just observed his first year in business and had made many friends and acquired a good patronage through his methods of trying to give

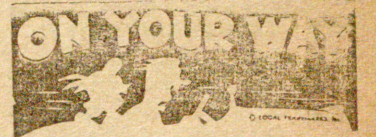

starting about the same time, the possibility of arson is being investigated. The question of faulty wiring has been ruled out as it was only about a month ago that the regular inspection of wiring was made at the store. There were also double safety boxes on all wiring, in case of an overload of a line, a switch would automatically be thrown, and if that did not suffice, then a fuse would be blown. On every hand during the fire Sunday morning, persons were voicing their opinion that there seemed to be mysterious circumstances connected with the two fires. State police were also at the fire Sunday morning.

Arthur Hostert is fire chief of the Mokena Volunteer Fire department; James Marti is president; Erick Book, treasurer and Stanley Williams secretary.

Much praise is due those who made and served coffee and rolls. The VFW Auxiliary opened their hall and Mr. and Mrs. Edmund, of Donnas' lunch room, also made coffee and served rolls to the firemen at the scene. Tom's Truck Stop and Pete's tavern at Frankfort sent sandwiches that were served to the firemen.

One of the Tinley fire department's pumper was stationed near the Henry Shevlin home pumping water into the hose from a hydrant there. Mrs. Shevlin served the men operating the pumper, cake and coffee.

Busiest coal port on the western rivers is the Port of Clainton-Elizabeth, Pa., which handled almost 9.5 million tons of coal in 1956.

Do you want to take a trip? Are you planning on buying or building a house? Do you look ahead to retiring in comfort? Start on your way to success... with constant savings.

Thursday, Sept. 20 was the beginning of a new year for the Tinley Park Garden club, and following are the officers who will serve. Mrs. Florence Feil, president; Mrs. John Johann, vice president; Mrs. Edmund Moss, secretary; Mrs. Walter Zawadzki, treasurer; Mrs. Harry Mager, program; Mrs. John Swisher, Fruit and Flower Guild; Mrs. Ed O'Neil, custodian; Mrs. John Werth, conservation; Mrs. John Panoz, exchange; Mrs. R. J. Hug, press. A birthday luncheon was enjoyed at Mrs. Feil's new home.

Mrs. Hilding Anderson typed the Year books. Three ribbons were won on exhibits at Flossmoor, Markham and Ivanhoe flower shows.

Mrs. John Swisher reported having delivered 441 magazines, 2 puzzles and a box of mens belts to Oak Forest.

The members enjoyed viewing the slides of Mrs. Feil's garden and others of the Sunken Garden in Florida.

Mrs. Amanda Nielsen presented the program and read a poem entitled "A Country Town." An article on spring bulbs was also read and each member was presented with a tulip bulb.

Weddings, Engagements, Clubs, Women's Activities

**Homer Township
Couple to Have
Fall Wedding**

Mr. and Mrs. Barney Welter, Bell road, Homer twp. are announcing the engagement and approaching marriage of their daughter June Marie, to Norman C. Pankow, son of Lawrence Pankow, R. 2, and the late Mrs. Pankow. The marriage will take place in St. Dennis church, Lockport, Oct. 20, at an 11 o'clock ceremony with the Rev. Michael Mugan officiating.

Relatives and friends are invited to the wedding and also to the reception which will be held at 8 pm. in Goodings Grove hall.

The bride is a graduate of Lockport Township high school and of St. Joseph's School of Nursing and is now employed at St. Joseph's hospital, Joliet.

The groom is with the U. S. air force, stationed at Great Falls, Mont.

**Mary Legerski
And Ed. Walding
Married in Iowa**

Mr. and Mrs. Joseph Legerski of Tinley Park motored to Sioux City, Iowa Sept. 14 to attend the wedding of their daughter Mary to Ed. Walding of Sioux City. They were accompanied by the Misses Helen and Lottie Arendt, aunts of the bride.

Ann Legerski, sister of the bride, was maid of honor. She came from Fort Dodge where she is a physical education instructor at St. Edmonds high school.

Joseph Legerski Jr. served as an usher.

Our reason for the low yield on chemical shares (usually 1.5 to 3.5%) is that this industry is a classical example of the low pay-out, high plow-back of earnings. Retained earnings are invested in research and new plants resulting, over a period of time, in greater sales and earnings and higher dividends. Many investors are more interested in growth than in current dividends.

Coming Events

Thurs. Sept. 27—Turkey dinner and bazaar in the Methodist church, New Lenox. Dinner served from 5 pm. Reservations made by calling Mrs. Bert Brown or Mrs. Edward Sievert.

Fishing--Without Mosquitos-- Is Good at Palos Twp. Slough

Future summers will see Cook county families spotted around the new shorelines of Belly Slough in Palos township, forest preserve property along Highway 45 near 104th Street. They will be indulging in their favorite sport of pole-fishing in a relatively mosquito free environment because of the cooperative project between the South Cook County Mosquito Abatement District and the forest preserve district now underway at this site, spokesmen for the bodies say.

The 14 acres of slough, shallow and overgrown with vegetation, was found to be troublesome mosquito-producer, which was the concern to the mosquito abatement district. As it now stands, it is unsatisfactory as a recreation spot, making it of concern to the forest preserve

district. Thru conferences between members of the two districts, a face-lifting operation is taking place which will allow for increased use of the slough as a nearby fishing spot, and at the same time its potential as a mosquito breeder will be greatly reduced.

The forest preserve district has dewatered the area, killed off the weed growths within and around it, made the topographic and planning surveys, and are providing the materials for fill and inlet drainage.

The mosquito abatement district is doing the construction engineering survey; and the excavation of the channel and the deepening of the sides is being done by district equipment under the supervision of district engineer A. J. Boulahanis.

The work begun around Aug.

15 is practically completed. After the first frost, the forest preserve district will allow the area to fill, and as soon as possible they stock it with blue gill, bass, and bullheads for the delight of summer anglers.

Roland Eisenbeis, chief conservationist of the forest preserve district points out that there is nothing quite like pole-fishing to smooth the wrinkles out of the tired mind, and that it is a sport which lends itself admirably to full family participation, from little children just big enough to hold a pole to their parents and even their grandparents. In addition to the deepening of the slough for fishing purposes, the forest preserve district also has plans for providing a large off-road parking area with additional picnicking facilities.

William J. Buchanan, manager of the South Cook County Mosquito Abatement district, says that a number of projects in this country, notably the TVA lakes, have demonstrated that it's possible to have fish without mosquitoes simply by deepening water and providing a clean, banked shoreline - the fish's environment remains favorable, but mosquitoes just don't breed in large numbers in such spots.

Altho a cooperative arrangement has existed for some time whereby mosquito abaters are granted access to trouble spots in the forest preserve district for purposes of chemical control, this is the first cooperative engineering project that has been undertaken by the two districts.

After a snowfall, shake the snowgently from evergreen branches to help prevent breaking and splitting, the "Plant Illinois" Committee advises local homeowners.

THE NEWS-BULLETIN
Thur., Sept. 27, 1956 Sec. 1 Pg. 9

One eastern utility company runs its generators on coal dredged out of a nearby river.

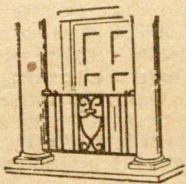

Where you relax... a handy phone! You've probably wished dozens of times that you had a handy telephone in your living room, playroom or den. Where you could just reach out and answer the phone without chasing through the house... hold telephone conversations in peace and privacy... why, that's living! The cost is so low, too... only a few cents a day, after a small installation charge. Call your telephone business office and order your extension phone today. ILLINOIS BELL TELEPHONE COMPANY.

Many Features To Mark Annual Dairy Show

The first entries for the 4th annual International Dairy Show reflect the international character of this relative newcomer in the dairy exposition field.

The management reports exhibition herds of Jerseys and Milking Shorthorns from Maryland, New Jersey, and Massachusetts among the first to come in, and other early listings include herds of purebred dairy animals from Canada, the West coast, and Georgia.

The show will be held Oct. 6 to 13 in Chicago's International Amphitheatre.

\$40,000 in prizes

The continent's finest farm animals of the 6 breeds that supply the nation's milk will compete for \$40,000 in cash premiums and for scores of valuable sterling silver trophies. These breeds are the Ayrshire, the Brown Swiss, the Guernsey, Holstein, Jersey, and Milking Shorthorn.

The Chicago show has been designated by the American Jersey Cattle Club as the national show of the year of that breed, and auction sales of prize-winning Guernseys and Holsteins will add interest to these two breed competitions.

The International Guernsey Cattle sale will be held in a special sale arena of the International Amphitheatre on Wednesday night, October 10, at the conclusion of two days of Guernsey cattle judging. The International Holstein Cattle sale is scheduled Saturday morning, October 13, following the Holstein show on Thursday and Friday, October 11 and 12.

"Elsie" to be there

The International Dairy Show will also include many exhibits of dairy farm equipment and dairy products, put on by manufacturers, distributors, and processors of dairy foods and dairy equipment. The world-famous Jersey cow, "Elsie" will be seen at Chicago for the first time this year in this division of the show, according to the management.

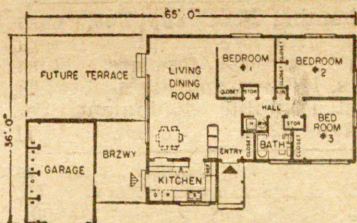

Displays of elaborate butter sculpturing and enormous cheeses are planned in a specially refrigerated glass enclosed area, and show visitors may guess the pounds of butter in the sculpturing and the weight of the giant cheeses. Those in charge announce that valuable prizes will be presented in this contest open to all show visitors.

Gene Autry, and Gail Davis, T.V.'s "Annie Oakley", will appear at each of the 14 International "Golden Spurs" rodeos, scheduled in conjunction with the Dairy Show to run from October 5 to 14.

Design No. 6120

**Designed for
Indoor-Outdoor Living
with sheltered
breezeway and terrace**

● This new addition to our Weyerhaeuser 4-Square Home Building Service has many special features—developed by professional designers for pleasant living. The large breezeway, for example, can be an outdoor living room... the spacious living room has a wall of glass overlooking the terrace... the attached garage includes convenient storage space... the efficiently arranged kitchen has a pass-through to the dining area.

Come in soon and see complete plans for this charming, modern "no-basement" home—plus scores of other homes—colorfully illustrated in our 4-Square Home Building Service portfolio. There are styles and sizes to suit every preference. Blueprints are available for each design.

Card of Thanks

We seem to be without the correct words to express our grateful thanks and appreciation to the Volunteer Fire departments of Frankfort, New Lenox, Tinley Park and Orland Park for their quick response to our call for aid at Mokena's fire early Sunday morning; and for their efficient and friendly cooperation given during the many long hours of fighting. We are glad for such good neighbors.

THE MOKENA VOLUNTEER FIRE DEPARTMENT

We wish to extend sincere thanks to the Mokena Volunteer firemen who responded so quickly and performed with great efficiency in controlling and minimizing the great loss that might have resulted due to the fire in our place at 12:30 a. m. Sunday morning, Sept. 23.

Further, we also wish to thank the many patrons for the orderly exit they made. There was no confusion, loss of life or other casualty.

Last, but not least, we wish to extend our thanks to those who so graciously appeared later in the morning to offer their services to help clean up the debris. Thanks again to everyone. Millie and Robert Kreml, (Kreml Korner) Wolf and LaPorte road Mokena, Illinois

I wish to thank all who cooperated and assisted in the Tinley Park Fall Festival, which netted a gross of \$12438.

My special thanks go to Selby Hirsch and Police chief Harold C. Moore who helped me carry out my duties as treasurer. Also Mayor Jeffords and Harry Dean, postmaster, who fried hamburgers.

RUTH FRIETAG, Tinley Park

We wish to thank all our friends and neighbors for their kindness shown us at the time of the death of our husband and father, George Renwick; Also for floral offerings and the Rev. Dallas Mucci for his comforting words.

MRS. GEORGE RENWICK Sr. and FAMILY, Tinley Park

Local Dealers At Chevrolet Meeting

Mr. Robert Trump, proprietor of the Trump Chevrolet Sales at Frankfort, together with Fred Heusner, James Raffauf and John Onginae attended the showing of the new Chevrolet cars at the Conrad Hilton hotel in Chicago last Friday.

After looking over the new cars, they had lunch in the hotel and then attended a movie of the new cars shown in the Eighth street theatre.

The affair was attended by Chevrolet dealers from this district.

Sportabout

by
JACK MAYPOLE

Well, it happened. An outboard motorboat pilot got pinched for drunken driving. That is indeed unusual but what is equally unusual is that folks down Quincy way had figured such a thing might happen some day and were all set for it.

Seems that that particular type of problem had threatened once before at a time when the growth of outboarding was not such that a law was needed. The Quincy city fathers, however had a sense for future events and in 1954 passed a law making piloting boats under the influence of alcoholic potables strictly illegal.

This still did not deter one enterprising soul who filled the boat's tank with gas, his own with beer and then took off right down the middle with outboard hydroplanes in the water dead ahead of his craft.

He caused more than a mite of confusion as his boat had a metal hull and would have sunk any hydroplane it might have hit.

Prompt action by a harbor little boat with its unsteady patrol boat saved the day. The pilot was edged toward the dock and the law was waiting with outstretched arms. The law, a newspaper report stated, was quite impressed by the number of empty beer cans and bottles in the boat.

Recently members of a congressional committee held hearings at Chicago seeking to determine what and how many laws are needed to "safeguard" Let Washington get to dictating how and when outboards must travel in the midwest with some desk admiral making the decisions and a lot of enjoyment will go out of the sport.

But it does behoove every community, whether at the edge of water or just a town where the outboarders have to travel, to consider traffic possibilities and to do something toward

boating. It is to be hoped that if they heard of the activity at Quincy they also heard of the snappy manner Quincy authorities put the damper on the pilot.

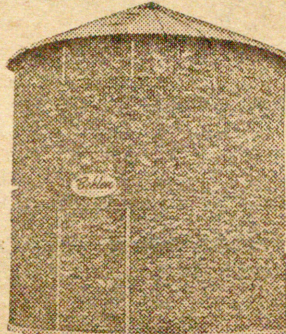

It still is our belief that the fewer federal laws the better for all types of boating. We think communities and boatmen under the present acceptable restrictions can do a good job of policing their own activities. off the happenings that ultimately bring down federal

wrath. If the attitude of "Let Uncle Sam do it" is taken we can be sure that "Uncle" will. And probably not to our liking.

Help Your Child Read Better

Teaching children to read has come a long way since McGuffey's Primer of grandmother's day. Today, modern school methods vary. Some schools advocate teaching children to recognize individual words on sight, others feel children learn best by mastering the alphabet first and then building words from it.

Whichever method is taught at your child's school, you can help your youngster to read better with a little old-fashioned coaching at home. Here is how you can help:

1. First, encourage regular reading and studying habits. Once your child gets used to a regular "study period," he won't be off to some diversion when he should be studying.

2. Teach your child to concentrate. There's a time for study and a time for TV and radio. The two won't mix. Make sure your child has a quiet place to study, free from all distractions.

3. Make a game of spelling. Ask your child to spell words from his book and build a list of "stumpers" for review. Have a dictionary near at hand and encourage its use.

4. Improve your child's vocabulary by asking him to use words from his book in sentences. Explain words he doesn't clearly understand, then have him try

again. Copying words from books on a typewriter is an easy way to enlarge a child's vocabulary.

5. Make a pastime of family reading. Pick stories with dialogue so that each member of the family can read a "part" like a play.

6. Give your child access to the family typewriter. According to studies made by the Educational Department of the Royal Typewriter Company, children using a typewriter learn to read faster and more smoothly. Because type is like the characters he sees in books, he recognizes them more quickly and easily. He also enjoys reading what he has typed and his pronunciation of words will be better.

7. Guard your youngster's sight. Proper lighting is essential. Arrange an eye examination if you think glasses may be needed.

If you follow these seven steps and have a little patience, you'll soon see a vast improvement in your child's reading habits.

Farm Home Credit Agency in Position to Serve More People

"Recent changes in the laws governing the Farmers Home Administration will enable the agency to serve the credit needs of a larger number of farm families," G. H. Reuss, state director announces.

The new law provides broader authority to assist family-type farmers with loans to improve and operate their farms.

It also authorizes, as a part of the Rural Development Program, loans for operating and developing farms where the farmer has part-time employment off the farm. Included in the broader authority are loans for refinancing existing debts, and an increase in the maximum amount that can be advanced for operating loans.

All of the present loan services of the Farmer Home Administration which includes loans for the operation, development and purchase of family-type farms, farm housing, soil and water conservation, and loans to meet emergency credit needs will continue to be available.

Mr. Reuss said the new policies were explained by Washington officials of the agency at a meeting held August 23-24, 1956, in Indianapolis, Indiana.

County employees of the agency will be brought up to date at meetings to be held in Effingham, Galesburg, and LaSalle early in September. By Sept. 14, 1956, all county offices in Illinois will be ready to process applications under the new regulations.

Mr. Reuss reports the principal changes are that the loans to refinance existing debts have been made available until June 30, 1959, to owners of farms no larger than family-size. When debts are refinanced by the Farmers Home Administration, the payments will be scheduled according to the ability of the borrower to repay. These loans will help farmers who are otherwise in a sound position but who are unable to meet their present credit obligations and need credit on more favorable terms and conditions.

Operating loans under the law may be made in amounts up to \$20,000; however, Reuss believes in Illinois few loans will exceed \$10,000. In the past this type of credit has been

limited to \$10,000. These loans are used for the purchase of equipment, livestock, fertilizer, seed and other farm and home operating expenses needed to carry out efficient farming operations on family-type farms. The interest rate remains at 5 percent. The increase in the maximum limits of these loans will now enable the agency to better serve farmers in areas where heavy investments in machinery and farm operating expenses are necessary.

Loans will also be available for operating and developing smaller farms than in the past. Farmers who have historically resided on farms and depended on farm income for their livelihood will be helped by these loans in areas designated under the Rural Development Program of the Department of Agriculture until they are able to obtain enough land resources to develop full-time farms.

All of the new loans, like the loans already available from the Farmers Home Administration, will be made only to applicants who are unable to obtain adequate credit from other sources. With most types of loans supervision in the development and carrying out of balanced systems of farming will be provided.

Dairyland to Reveal Best at Show Oct. 6-13

America's dairyland will reveal its best products and its finest herds at the forthcoming 4th annual International Dairy Show, Oct. 6 to 13, in the International Amphitheatre at the Chicago Stock Yards. The amphitheatre is undergoing a third big expansion which, when completed, will make it the world's largest exhibition building.

Owners of purebred dairy animals from coast to coast and from Canada to the Gulf plan to send their best animals to the competitions of the six breeds of dairy cattle that will be featured at the Chicago show. The management is pre-

paring quarters in the amphitheatre to house more than 2000 head.

A world-championship rodeo, one of the country's biggest in number of competing riders, will be featured daily during the 8-day run of the International Dairy Show.

Top cowhands of the world have indicated they will be in Chicago competing for the International Rodeo's coveted and unique awards - Golden Spurs, plus big cash purses and championship points. They risk life and limb in this dangerous sport that includes bull-riding, steer-wrestling, bare-back and saddle bronc-riding, and bull-dogging.

The management anticipates an entry of from 200 to 300 quarter horses in the International Quarter Horse show, another co-feature of the Dairy Show. These horses will be seen competing in both conformation and performance trails. Quarter horse derives its name for being the fastest horse over a quarter of a mile.

Judging of the six dairy breeds will fill most of the daytime hours from Monday, Oct. 8 thru Friday, Oct. 12, according to those in charge of the cattle department. All junior classes, consisting of entries owned and shown by young 4-H and F.F.A. members, will be judged on Monday, Oct. 8.

Three breeds - Brown Swiss, Guernseys, and Jerseys - are scheduled for judging Oct. 9 and 10; Holsteins, Ayrshires, Milking Shorthorns are set for October 11 and 12.

Group tours to Chicago and the show for farm people, organized last year for the first time, will be repeated, according to the management. It will include transportation to the show and return, hotel rooms if desired, and reserved seats for the International Rodeo.

Per capita consumption of vegetables is likely to remain near its present level during the next five years, but total consumption of vegetables will increase according to U. S. D. A.

(a) The projection is made in light of the already high level of vegetable consumption and recent trends in consumer expenditures. Further increases in income will probably be reflected to a lesser extent in the demand for vegetables than in the prewar period.

(b) The total population is expected to increase from 164,595,000 in 1955 to about 178,000,000 in 1960. Based on this projection there would be approxi-

mately 8 percent increase in vegetable consumption from 1955 to 1960.

(c) Since 1951 the per capita consumption of fresh vegetables has remained steady after a decline from a peak after World War II. Per capita consumption of fresh vegetables is likely to change little during the next 5 years.

Three new electric power plants on the Ohio river burn annually about 4 million tons of coal delivered by barges.

NEW LENOX, ILL.

VOTERS OF WILL COUNTY

The right to vote is your American Heritage. Act Today . . . BE SURE YOU ARE PROPERLY REGISTERED.

Last day to register for voting at court house or with the registrar is October 8th.

**SORRY YOU CANNOT VOTE!
YOU FORGOT TO CHANGE
YOUR ADDRESS!**

**THE CARELESS CITIZEN—HE MOVED AND
NEGLECTED TO CHANGE HIS ADDRESS**

WHO MUST REGISTER?

Every man or woman who votes in person or by absentee ballot must be registered from his correct home address.

WHO CAN REGISTER?

Any citizen born or naturalized in the United States who will be 21 years of age on or before November 6th, must register by October 8th in order to be allowed to vote. Citizens who have lived in the State for 1 year, County 90 days and Precinct 30 days are eligible to register. Voters who have registered previously, but who have since changed their names by marriage or otherwise must re-register (and cancel their old registration).

HAVE YOU CHANGED YOUR ADDRESS SINCE YOU REGISTERED?

If you have changed your address either from one precinct to another or within the same precinct, it is necessary for you to make the change of address either by returning your yellow voters' identification card, with the back properly filled out, or by coming into the Registration Department, Court House, Joliet, and have the change made or to drop a card or letter to that department with the change requested. All members of the family of voting age who have moved must do this. Your new yellow voters' identification card will be sent you.

MUST YOU REGISTER FOR ELECTION?

No! Registration is permanent if you previously registered from your present address and your name is on the registration books.

WHAT TO DO TO REGISTER?

You go before the proper official, (Either the Registration Dept., Court House, or the registration officer appointed in your town) state your name, age, place of birth, and how long you have lived in the State, County and Precinct. If you were not born in the United States, you must show proof of your naturalization as an American Citizen.

MUST YOU DECLARE YOUR POLITICS?

No! You do not have to state your membership in any political party to register. You need only state the information given on the question preceding this. You do not need to make any public statement of your politics when you register or when you vote in the General Election.

WHEN AND WHERE CAN YOU REGISTER?

You can register NOW or make your change of address any time up to and including Monday, October 8th, in the Registration Dept., Court House, Joliet, or with one of the following Registrars:

Frankfort: Harold Cooper, Mokena, Ill.
William Kampe, Frankfort, Ill.
Harry P. Low, Frankfort, Ill.
New Lenox: Ronald E. Crisman, New Lenox, Ill.

WHEN YOU SHOULD REGISTER?

Right Now! TODAY! Don't put it off until your last chance to register. Remember if you are going to be out of the County on Election Day you can vote by absentee if registered.

**The Last Day to Register and Transfer
of Registration for Voting is October
8th.**

LEGAL NOTICE

STATE OF ILLINOIS,
WILL COUNTY ss
In the County Court of
Will County.

In the matter of
James Cornelius Baker
Alleged to be a
Delinquent child.

To Arlene Baker and Charles
Donovan Baker defendants in
the above entitled cause, and to
all whom it may concern.

Take notice that on the 17th
day of September, 1956, a peti-
tion was filed by N. J. Fornango
in the County Court of Will
County, to have a certain child,
named James Cornelius Baker
declared a delinquent and to
take from you the custody and
guardianship of said child James
Cornelius Baker.

Now, unless you appear within
twenty days after the date of
this notice and show cause
against such application, the pe-
tition shall be taken for confes-
sed and a decree entered.

JOSEPH H. HARTLEY
Clerk of the County Court
Sept. 27, 1956

NOTICE OF HEARING

on petition to detach territory
from Reiter School District No.
119 (operating grades 1-8), Will
County, Illinois, and attach said
territory to New Lenox Public
School District No. 122 (operat-
ing grades 1-8), Will County,
Illinois.

Notice is hereby given that a
petition was filed with the under-
signed on the 4th day of Sep-
tember, 1956, praying that the

following described territory, to
wit:

The Northwest one-quarter
(NW $\frac{1}{4}$) of the Southwest one-
quarter (SW $\frac{1}{4}$) of Section 23,
New Lenox Township; and the
Northeast one-quarter (NE $\frac{1}{4}$) of
the Southeast one-quarter (SE $\frac{1}{4}$)
of Section 22 except for a small
portion in the Northwest (NW)
corner which lies in School Dis-
trict No. 122, New Lenox Town-
ship. All of the above described
territory is located in New Lenox
Township 35 North, Range 11
East of the Third Principal Meri-
dian, Will County, Illinois.

be detached from Reiter School
District No. 119, Will County,
Illinois, and annexed to New
Lenox Public School District
No. 122, Will County, Illinois.
Notice is further given that
Monday, October 1, 1956, is the
return day on said petition and
that the County Board of School
Trustees, Will County, Illinois,
will hear said petition in the
Board of Supervisors Room, in
the Court House, in the City of
Joliet, Illinois, at 8:00 p.m., Mon-
day, October 1, 1956.

Dated this 20th day of Septem-
ber, 1956.

(signed) Verne E. Crackel,
County Superintendent of
Schools and Ex-Officio Secre-
tary of the County Board of
School Trustees, Will County,
Illinois,
and finally I order that copies
of said Notice of Hearing shall
be sent to the persons who are
serving as members of the Board
of Directors of School District
No. 119, Will County, Illinois,
and to the persons who are serv-
ing as members of the Board of
Education of School District No.
122, Will County, Illinois.

In witness whereof I have here-
unto set my hand this 20th day
of September, 1956.

VERNE E. CRACKEL
Verne E. Crackel, County Super-
intendent of Schools and Ex-
Officio Secretary of the County
Board of School Trustees, Will
County, Illinois.

Don't forget the Schmuhl
school community club meeting
tomorrow night, Friday, Sept. 28
at 7:30 p. m. in the school. This
is the first meeting of this sea-
son, and all persons living in
the school district 121, are invited
to attend, whether they have
children in school or not. The
teachers, Mrs. Gladys Roth, and
Mrs. Clare Adams are eager to
meet the families of the commu-
nity. A social evening has been
planned with Mrs. Elmer Smith,
Mrs. Clare Newman, and Mrs.
William Stoner as hostesses. All
attending are asked to bring
cup cakes and pop.

Hans Berman (Bullet), German
Shepherd dog owned by Mr. and
Mrs. Richard Pokorny has earned
his third and final "leg" to-
ward his companion dog degree.
Bullet scored 195 points out of
a possible 200 at the obedience
trial held by the Steel City Ken-
nel club at Crown Point, Ind.,
Sept. 23. Bullet was trained and
handled by Mrs. Pokorny.

Mr. and Mrs. William Hutche-
son and family spent Sunday at
Lake Geneva, Wis.

Mr. and Mrs. William Hocker
and son Dennis spent the week
end with Mr. and Mrs. Leland
Gunn and family at Perrysburg,
Ohio.

Mr. and Mrs. Edward Hollen-
beck and family had as guests
Sunday, his sister, Mrs. Fred
Marshall and son Fred, Miss
Cynthia Long, and Mr. and Mrs.
Charles Riley, all of Chicago.

Mr. and Mrs. Leonard Konkel
and family had as their guests
over the week end his parents,
Mr. and Mrs. A. M. Konkel of
Milwaukee, Wis.

Mrs. Virginia Leonhardt at-
tended a party in Naperville,
Sunday afternoon with friends.

Mr. and Mrs. Vern Newsome
who were celebrating their 15
wedding anniversary, and Mr.
and Mrs. Earl Sulzberger who
were celebrating their sixth an-
niversary, celebrated the occa-
sion Sept. 15 by having dinner at
Johnny's Steak House, and at-
tending the play "No Time For
Sargeants" at the Erlanger
theatre in Chicago.

Den 1 of Cub Scout pack 41
met Saturday afternoon with
their den mother, Mrs. C. New-
man and her assistant, Mrs.
Leonard Konkel. The boys made

plans for their pack meeting
that was held Tuesday night and
continued their study of ants
and toads.

Mr. and Mrs. Ralph Oldt and
family had as their guests Sun-
day for a picnic supper Mr. and
Mrs. Howard Kappal, Donna,
and Dean of Tinley Park.

Mr. and Mrs. Michael Orey
attended a party Saturday night
at the William Clark home in
New Lenox, in observance of
both Mrs. Clark's and Mr. Orey's
birthdays.

Dr. and Mrs. Ralph Wright
and family had as their guests
last week Mr. and Mrs. Frank
Drake and sons from Los An-
geles, who were enroute to New
York. The Drakes were friends
of the Wrights during their stay
overseas.

Carol and Stephen Longshore
of Spencer were enrolled Mon-
day morning in the kindergar-
ten class at the home of Mrs.
Ronald Crisman.

Alison Wright is confined to
her home with chicken pox.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Freeman Fellowship will
sponsor a meeting at the Mar-
ley church this Saturday night,
Sept. 29 to acquaint church
members with the Rev. Raymond
Hamer of Blandonsville, Ill.
This will be a scrapbook meet-
ing followed by a social hour.
Everyone is cordially invited.

Mrs. Adella Sproat and Miss
Bessie Sproat were guests last
Sunday of Mr. and Mrs. Wright
Woods at Pontiac.

Mr. and Mrs. John Zoltani of
Kankakee were guests Saturday
evening of Mr. and Mrs. Charles
Sass.

Mr. and Mrs. Bud Kolar of
Pamona, Calif., were guests last
week of Mr. and Mrs. Victor
Zaloudek.

Mr. and Mrs. Daniel Sass Miss
Cora Hyink, Frank Liszt and
Bud Liszt were entertained at
dinner Sunday in the home of
Mr. and Mrs. William Hyink at
Deerfield.

Mr. and Mrs. Robert Sproat
and family, Mrs. Adella Sproat
and Mr. and Mrs. Durward Kill-
inger and son Scott were enter-
tained in the home of Mr. and
Mrs. Tom Connelly Friday night.
The Connelys showed motion
pictures of their recent 8000
mile western trip.

The Marley Woman's club was
represented at the fall county
club league tri-annual at Syme-
rton Tuesday by Mrs. Victor Za-
loudek, Mrs. Stanley Coe, Mrs.
Adella Sproat, Mrs. Harold Moh-
ney, Mrs. John Hasibar, Mrs.
Charles Sievert, Mrs. Laura Hub-
ler and Mrs. Robert Sproat.

Tommye Ann and Jyme Graen
ing of Fresno, Calif., spent a
few days last week with their
aunt, Mrs. Robert Sproat.

A successful bazaar and sup-
per was held last Thursday nite
at the Marley church with 408
people served at this annual
event given by the Missionary
society.

Next Sunday, Sept. 30 is Rally
Day at the Marley church! Com-
bined church and Sunday school
services will begin at 10 am. The
Rev. Raymond Hamer of Bland-
onsville will bring the morning
message. Sunday school promo-
tions will be announced by the
superintendent, Mrs. Francis
Nelson.

Mrs. Arthur Lauffer was an
overnight guest Thursday and
Friday in the home of Mr. and
Mrs. Charles Lauffer.

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort 4902

Mr. and Mrs. Henry Smit en-
tertained at dinner last Thurs-
day evening in their home Mr.
and Mrs. Charles Heusner of
Peotone; Dr. and Mrs. Nis Posert
of Chicago and Mr. and Mrs.
Leon Knickrehm and daughter
Rae Lynn of Westmont.

Mr. and Mrs. Raymond Bet-
tenhausen entertained at dinner
Sunday in honor of his birthday
anniversary. Guests were her
parents, Mr. and Mrs. William
Wanner and her sister and fam-
ily, Mr. and Mrs. Philip Baird of
Oak Lawn also his sister, Miss
Esther Bettenhausen.

Mr. and Mrs. Carl Barlow
spent Sunday afternoon with

THE AMERICAN WAY

The Real Winner

Mr. and Mrs. George Hansen at
Joliet. In the evening Wesley
Barlow and Mr. and Mrs. Robert
Buchner and son Randy of Blue
Island joined them.

William H. Bettenhausen, su-
pervisor of Green Garden town-
ship suffered a paralytic stroke
in his home last Wednesday eve-
ning. He was removed by am-
bulance to Silver Cross hospital
where he is critically ill.

The Busy Homemakers Home
Bureau will meet at the home of
Mrs. Charles Schultdt next Wed-
nesday afternoon.

companied by Mr. and Mrs. Geo.
Hasenjaeger attended the Tur-
key Growing Assn. meeting last
Thursday at Havana.

Mr. and Mrs. Richard Borms
and family were dinner guests
Sunday of Mr. and Mrs. Elmer
Steidinger at Fairbury.

Mr. and Mrs. Herman Heine
of Matteson; Mr. and Mrs. Charles
Albert of Riverdale and Mr.
and Mrs. Norbert Brockman and
family of Monee were guests of
Mr. and Mrs. Henry Kuse Sat-
urday evening.

Clair Hemphill of Elwood was
named campaign director for
CROP this year. He will organi-
ze this year's appeal for com-
modities and cash to be shared
with hungry people overseas.

The Rev. John Keenon is
CROP board chairman in Will
county.

CROP, the Christian Rural
Overseas Program, solicits farm
grown staple food supplies
which are distributed by mis-
sionaries and church agencies in
other lands to the needy. The
greatest need this year is

among refugees in Hongkong
and in the Near East.

Emergency relief in the
amount of 122,400 pounds of
food and supplies valued at
\$65,000 has been sent by Am-
erican churches to aid the
many hundreds injured and left
homeless and destitute by the
earthquake and giant tidal wave
which swept the Greek Island
in the Aegean Sea.

James Buchanan was the only
bachelor president.

FRANKFORT

Mrs. Katharine Heisner
Frankfort 4902

The Frankfort Band held an
election of officers at their prac-
tice meeting last Friday, with
results as follows: Duane Warn-
ing, president; Marilyn Miller,
vice president and Douglas Heis-
ner, secretary and treasurer. The
librarian will be appointed next
week. There are about 20 in the
band at present with Robert Tay-
lor as director.

Mr. and Mrs. Wallace Weich-
brodt spent Sunday with Mr. and
Mrs. Ezra Marti at Beecher.

Mr. and Mrs. Adolph Ullrich
entertained dinner guests at
their home last Sunday. They
were Jacob Krauf and Christina
Krauf, Manhattan; Mrs. William
C. Bettenhausen Sr., and Mr.
and Mrs. Earl Bettenhausen and
daughter, Green Garden and
Mrs. Marie Bettenhausen.

Mr. and Mrs. Henry Heusner
Sr. had as guests this past week
their son and family, Mr. and
Mrs. Henry Heusner of De-
troit Mich. Mrs. Heusner and
daughters arrived Wednesday
and her husband Friday. Sunday
they returned to Detroit where
he is principal at a school in
Livonia, a suburb of Detroit.

Mrs. Tompkins of the confer-
ence board of education of the
Methodist church will conduct
a curriculum workshop in the
Methodist church this afternoon,
Sept. 27 from 1 to 3 pm. It is
a training session for all teach-
ers who are reminded to bring
their material for October and
be prepared to ask questions.

Miss Viola Lankenau will en-
tertain the faculty of the Frank-
fort public school and their
families at a 6:30 dinner in her
home this Friday evening. A so-
cial hour will follow.

Mr. and Mrs. Walter Pfaff
and Mr. and Mrs. Ralph Nieland
dined on Sunday noon in honor
of the former's 39th wedding an-
niversary.

Mr. and Mrs. Ralph Nieland
spent Saturday evening at a
party at the home of Mr. and
Mrs. Charles Perkins at Joliet.

Mrs. Leonard Cummings will
be in charge of the program
when the Evening circle of the
Methodist church meets Oct. 2
in the church. Mrs. Harry Miller
and Mrs. Rudolph Guzik will be
hostesses.

Grovenor Weichbrodt has re-
sumed his study at Champaign
after being employed this sum-
mer at Paulsboro, New Jersey
at the Socony Oil Refinery
there. On returning home from
New Jersey, he stopped in Ver-
mont at the Theta-Chi conven-
tion. He also called on Mr. and
Mrs. Arthur Weichbrodt at De-
troit, Mich. enroute home.

The Senior MYF enjoyed a
hayrack party ride Sunday eve-
ning. There were 25 members
and friends who attended with

their sponsors, the Rev. and
Mrs. Ben F. Day and Mr. and
Mrs. Harry Miller. After the
ride they gathered at the Arthur
Mark home, where a business
meeting was held, after which
Mrs. Mark served refreshments.

A general meeting of the Wo-
men's Society of Christian Ser-
vice was held at 8 pm. Sept. 18.
A book report on Papa's Wife,
given by Mrs. Paul Lambrecht.
Membership in the society has
been increased by 13 new mem-
bers, six were welcomed in a
candle light ceremony by the
president, Mrs. Jake Hostert.

Chairman were named for the
Harvest supper and bazaar to be
held Oct. 9. Mrs. Leonard Patter-
son is chairman of the supper
and Mrs. Charles Lewin is gen-
eral chairman of the bazaar.

Executive committee of the
society met Sept. 25 at 7:30 pm.
in the home of Mrs. Jake Hos-
tert. Quarterly reports were
made at this meeting.

The Women's Society of Chris-
tian Service of the Methodist
church will have their regular
monthly meeting, Thursday af-
ternoon in the church parlors.
Mrs. Roderick Rainford and Mrs.
George Kochel are worship and
program leaders. The topic is
"Volcanoes in Southeast Asia."
Hostesses will be Marie Betten-
hausen and Katharine Heisner.

Mr. and Mrs. Wallace Weich-
brodt accompanied by Mr. and
Mrs. Lester Peters of Harvey re-
turned Saturday from a two
weeks motor trip thru the north
western states. They stopped at
many places of interest. They
drove about 6,000 miles during
the trip.

Mrs. Gordon Telfer of Morris
spent Sunday and Monday with
her daughter and family, the
Rev. and Mrs. Ben F. Day.

Alan Hedges of Milwaukee,
Wis. spent Tuesday evening at
home with his parents, Dr. and
Mrs. W. V. Hedges.

Patricia Simpson celebrated
her seventh birthday anniver-
sary Saturday when her mother
Mrs. Robert Simpson entertained
14 little friends at a birthday
party in the afternoon at her
home. Various games were play-
ed and later refreshments were
served. Patricia received many
lovely gifts from the guests.

Mr. and Mrs. Elmer Batson,
Mr. and Mrs. Orval Schroeder
and family and Mrs. Anna
Scheer and Mrs. Lena Swanson
were 5 o'clock dinner guests of
Mr. and Mrs. Andrew Hollberg
at Chicago Sunday.

Wendell Morrison and Paul
Lambrecht spent last week fish-
ing at Mason Lake, Wis.

Dinner guests Sunday of Mr.
and Mrs. Lawrence Woodman
and Mrs. Lilly Herschbach were
Mr. and Mrs. Colin Campbell
and Mrs. Emma Herschbach
Mueller both of Chicago and
Alvin Baumgartner of Calif.

Mr. and Mrs. Don Stephen en-
tertained guests Saturday eve-
ning in honor of their son Gary
who celebrated his second birth-
day anniversary. Guests were
Mr. and Mrs. Robert Niemann
and family of Mokena and Mr.
and Mrs. Donald Auler of Villa
Park.

Monday, Oct. 1, schools will be
closed due to Teachers institute
of Will County which will be
held in Joliet. All grade school
teachers will attend from here.

Mrs. Ralph Nieland attended
a luncheon Friday noon at the
home of Mr. and Mrs. Arthur
McPartlin at Cherry Hill.

Rally day will be observed in
the Methodist church Sunday at
the 10:35 am. service. A special
program is being prepared and
pins will be given to all. Mrs.
Robert Erdman and Mrs. Henry
Heusner are in charge of the
program. Everyone is invited.

Mr. William Wolf, president of
the Frankfort Band Parents as-
sociation, announces that there
will be a meeting Wednesday,
Oct. 3 at 7:30 pm. at the school
for all former band parents and

all parents who have children
participating in the present band.
Old officers are urgently asked
to attend this meeting.

Miss Phyllis Myrlene Lane of
R. 1 Lincoln Estates, Frankfort,
daughter of Mr. and Mrs. Har-
old E. Schwab, has enrolled as
a freshman student in the nurs-
ing program of West Suburban
hospital, Oak Park.

Don't forget today is the day of the annual turkey dinner and bazaar sponsored by the Womans Society of Christian Service of the New Lenox Methodist church. Serving will start at 5 o'clock, and continue until all are served. Many items will be available from the bazaar booths. All proceeds will be used to further the work of the society and church.

Mr. and Mrs. William Clark entertained at a party in their home Saturday night to honor the birthday anniversaries of Mrs. Clark, and Michael Orey. An informal evening was enjoyed followed by a buffet supper. Guests were Mr. and Mrs. Michael Kruck, Dr. and Mrs. Thomas Chamberlain, Dr. and Mrs. Leo Murskyj and Mr. and Mrs. Orey.

The New Lenox Womans club met Sept. 18 in the home of Mrs. Howard Ayres, with Dr. Janette Holt assisting. New officers elected were Mrs. Edward Morris, president; Mrs. Don Anderson, vice president; and Mrs. Roy Dowle, secretary-treasurer. The next meeting will be held with Mrs. Laura Morris, Oct. 16.

Earl Schroeder enjoyed a trip to the Wisconsin Dells Tuesday through Friday of last week with several other Standard Oil men. He earned the trip, as one of the prize winners in a recent Standard oil contest.

Local Cub Scout pack 8 will meet for their first fall meeting tonight, Sept. 27 in the Lions Den. The Cub Scouts will meet at the den at 6:30 for a hayrack ride until 8 o'clock, when they will return to the den for a weiner roast. Parents of the Cubs are to come to the den at 8 o'clock for the meeting.

Several of the Cub Scouts parents, officers and assistants, gathered at the Lions Den one night last week, where they spent the evening painting the tables and chairs for the Lions club. Those who assisted in the work were, Mr. and Mrs. Todd Hollenberg, Llew Eggers, Mrs. Doris Luce, Mrs. Lillian Lyon, Mrs. Joan Speiss, Mrs. Joseph Hartung, Robert Reiter, O. C. Davis, R. T. Gleason, Mr. and Mrs. John Micka, Mr. and Mrs. William Knowles, Darwin Mangun, Mr. and Mrs. Walter Grimes, Ceci Baldwin, Mrs. Lorraine Yarbrough, Len Parent, and Mr. and Mrs. Donald Osmus.

Planning meetings of the Cub Scouts will be held the first Wednesday night of each month. Den 5 mothers will meet Wednesday afternoon, Sept. 26 after school, at the home of their den mother, Mrs. Don Osmus.

The Womans Society of Christian Service of the New Lenox Methodist church are sponsoring a Holbrook House luncheon Wednesday, Oct. 3 in the church dining room. Serving will start promptly at 12:45. Tickets are now available from members of the society.

"Make up" was the topic of discussion at a guest night meeting recently held by the Methodist dramatic club.

Mrs. Hunter Chapman, program chairman, introduced Mrs. Clarence Greenman, who briefly discussed the use of grease paint in amateur theatre productions, and then demonstrated the use of various types of make up basic. She showed how lines are used to emphasize personality difference in each character.

Mrs. Greenman has appeared in many New Lenox Dramatic club productions, and is a member of the Footlighters in Joliet, where she was recently cast as a housekeeper in The Enchanted Cottage.

Ronald Whitaker who is in charge of ticket sales for the three coming one act plays distributed tickets to members. "Three for the Show" is the name chosen to designate the three plays which will be presented Oct. 25, 26 and 27.

Guests at the meeting were David Cook, Bill Penn, Miss Mary Shive, Miss Ann Walker, Mrs. Kenneth Messenger, and Mr. and Mrs. Ernest Brown.

The New Lenox Home Bureau will meet Friday, Sept. 28, tomorrow, at the home of Mrs. Ivan Archibald, with Mrs. Harold Cutler, assisting. The Home Advisor Mrs. Betty Shinn will give the lesson on Cooking Familiar and Unfamiliar Vegetables. A movie on Cancer from two written documents be pre-

CAMERA CARE

FOR SUMMER TOURING

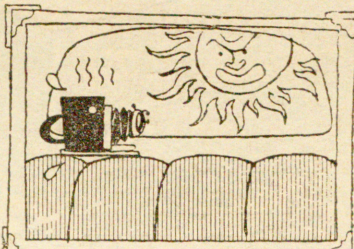

by CAROL LANE
WOMEN'S TRAVEL DIRECTOR
SHELL OIL COMPANY

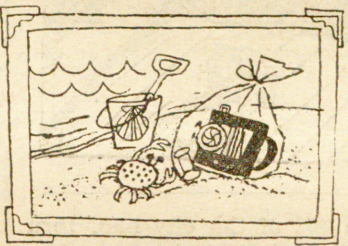

TAKE A CAMERA ON YOUR SUMMER TOURING VACATION. IT'LL ADD TO THE FUN, HELP YOU TO RE-LIVE IT LATER ON. BUT REMEMBER THAT A CAMERA IS A PRECISION INSTRUMENT. HERE ARE SOME TIPS ON CARING FOR IT:

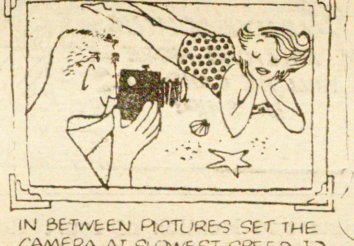

DON'T TOUCH THE LENS. IF IT DOES GET SMUDGED WIPE SOFTLY WITH LINTLESS CLOTH OR EYEGLASS TISSUE. WHISK OFF DUST WITH A SMALL CAMEL'S-HAIR BRUSH. IF DUST GETS INSIDE CAMERA, BLOW IT OUT WITH A SMALL RUBBER SYRINGE OR SIPPING STRAW.

DON'T LEAVE CAMERA IN THE CAR'S GLOVE COMPARTMENT OR ON THE BACK WINDOW LEDGE. HEAT CAN DAMAGE THE LENS, SPOIL FILM. (ALWAYS TRY TO KEEP YOUR CAMERA IN THE SHADE - ESPECIALLY WHEN LOADING FILM.)

AT THE SHORE KEEP THE CAMERA IN A PLASTIC BAG; IT'LL PROTECT IT FROM SAND AND SALT SPRAY. HAVE FILM DEVELOPED AS SOON AS POSSIBLE.

IN BETWEEN PICTURES SET THE CAMERA AT SLOWEST SPEED TO RELIEVE SHUTTER TENSION. A LITTLE CAMERA CARE WILL PROLONG ITS LIFE, GIVE YOU BETTER PICTURES.

HAPPY SHOOTING!

COPYRIGHT 1950 SHELL OIL COMPANY

the Will County Public Health department will be shown. Mrs. Edward Berens will give a lesson on arranging a family centerpiece. The annual election of officers will be held.

Twenty members of the New Lenox Riding club were up bright and early last Sunday for a breakfast ride. The group left Donald Warnings at 8 am. and rode to Bob Benson's in Mokena where they ate breakfast in a beautiful woodland beside Hickory creek. A delicious breakfast of fruit juices, ham, bacon, eggs, coffee cakes, milk and coffee was served by Mrs. Donald Warning.

The group discussed their plans for the third annual Gymkhana to be held Sunday, Oct. 7 on Rt. 30 west of New Lenox.

IT'S THE LAW

How many times have you heard someone say that a contract is not binding unless it is in writing, or unless a witness was present when it was made? Do you think this statement is true? In Illinois, there are very definite laws on this subject. Contracts dealing with certain matters are not enforceable in court if they are not written and signed by the parties involved; other contracts, however, do not have to be written, and are enforceable in court although made only orally.

If you tell this to your friends, many of them will be surprised, and you can expect to be asked how an oral contract can be proven in court. The answer is that the contracting parties take the witness stand, and testify under oath that the contract was made and what its terms were. Of course, it sometimes happens that the parties testify to different versions, and then it is up to the jury to decide which of the parties is testifying accurately. In such a case, the testimony of a witness who is not connected with the case is very valuable.

Write These Contracts

What contracts must be expressed in writing in order to be legally enforceable in Illinois? The three most familiar types are contracts relating to the purchase of land, contracts which will take over a year to perform, and contracts involving the purchase of personal property for an amount above \$500.

Whenever land is purchased and sold, it is important that

writing, they are not void. An oral contract, unenforceable when made may become enforceable if the parties begin to perform under it. Of course, if each party fully performs his part of the agreement, the contract is fulfilled and cannot be set aside.

Write Important Agreements

If you sit back and reflect for a few moments, you will probably be amazed at the number of contracts to which you have been a party. You will also realize that most of those contracts were merely spoken, and not put into writing. But remember that it is always prudent to put a contract into writing if it concerns a matter of importance, or if its terms are complicated, even though the law does not require it to be written. By doing this you reduce the opportunities for mistake forgetfulness, and dispute as to terms. It will take only one bad experience to convince you that doing business without written agreements can be extremely troublesome and costly. When the contract is written, make certain that it contains your entire agreement, because once it is signed, it cannot be changed or added to without the other party's consent.

This column is written to inform, and not to advise. No person should ever apply or interpret any law without consulting

THE NEWS-BULLETIN

his attorney. Even a slight difference in the facts may change the result under the law.)

The total amount spent by Red Cross for disaster services since 1881, if spread evenly through the 75 years, would approximate an average expenditure of more than \$365 per hour.

The Lincoln Log

Girls' Events

Lincoln-Way's 70-acre campus provides excellent facilities for the camping activities of the Girls' physical education department under the direction of Miss Barbara Sprayberry. The back campus is used as the camping area and the trips are workshops in which students learn by doing—building fires, preparing foods over a campfire, making lashings, and sleeping in the out-of-doors.

Camping is planned for the sophomore class September 28, the junior and senior classes October 5, and two outings have already been held—an introductory trip for student counselors September 14 and the freshman class trip September 21.

Other department activities include soccer for freshmen, speedball for sophomores, and field hockey for juniors and seniors. Emphasis is being placed upon the seniors helping to plan their own physical education program.

Archery, punt-over, and field hockey are the fall sports in which the 100 members of the Girls' Athletic Association of Lincoln-Way High school are now participating. These activities are taught by members of the Leaders' Club, GAA girls who have shown outstanding ability in teaching various sports. President of the Leaders' Club for 1956-57 is Joan Teague and secretary is Jackie McGinnis.

Fall projects for the GAA include the annual sweatshirt sale and playday for all GAA girls in the seven conference schools.

Rhythm Knights, the all-girl marching squad, completed its roster September 17 with try-outs being held at Lincoln-Way High school. The 16 members include Raydene Cook, Judy Feil, JoAnn Mundt, Petra Reinhard, Jane Oram, Chris Barnes, Diane Neuls, Ann Sims, Linda Matasovic, Patty Dath, Gwen Doering, Kathy Cooper, Sue Erickson, Mary Jane Donaldson, Kathy Berlin, and Jackie McCoy. Alternates are Bonnie Rydell and Stella Daugherty.

The Rhythm Knights are planning to march with the band in their formations as well as planning numbers of their own. The uniform the girls have chosen is a bermuda skirt, white blouses, and knee length stockings. Pom-poms, huge red and black shakers, complete their outfit.

To Learn Mimeograph

J. Kozlecar from the Book Shop in Joliet demonstrated the correct use of the A. B. Dick mimeograph machine to the girls in the office practice classes in Lincoln-Way High school, on Sept. 18.

Pointers were given on the use of stencils, typing, signing, and correcting them and the proper method of filling the stencil on the drum.

Clubs Start Activities

In its first meeting of the year, Sept. 18, the Latin club elected officers and appointed most important committees.

Henry Barnett emerged as Caesar, or president, aided by Ken Weber as vice-president. Linda Ruhle was elected secretary and Dave Zechlin treasurer, while Stan Barnett was chosen licitor, or sergeant-at-arms.

On the ways and means committee are the chairman Ken Weber, Don Lehmann, and Stan Barnett. Appointed to the banquet committee were Linda Ruhle, chairman; Barbara Rawlings, and Phyllis Shipman.

Future Farmers

At the first meeting of the Future Farmers of America, plans were made to shell the corn in the crib at the rear of the agriculture shop. The new program of work for the year was accepted. Each new member getting the "Green Hand Degree" will receive a Future Farmer's metal sign. Plans were also made for a meeting of all FFA officers and chairmen of the work committees to be held Sept. 28 at 7:30 p.m.

Girls' Glee Club Elects Officers

The Girls' Glee club held its annual election of officers and Judy Schleeter is the new president; Beverly Mundt, vice president; Lois Fee, business manager; Betty Ann Hunt and Diane Schaubel, librarians; Linda Matasovic, reporter.

A petition was started to reserve the gym for March 16 for the spring carnival, the yearly event sponsored by the club to raise money for choir robes. Beverly Mundt and Carol Werner were appointed to check the robes which were purchased last year.

Time to Hunt— Play it Safely

The approaching hunting season is planned for eagerly by the enthusiasts of this sport. Guns are polished, supplies are checked, and good hunting areas explored. But, before the season ends, many homes will be marked by accident, and perhaps death, because of carelessness, the Educational Committee of the Illinois State Medical Society observe in HEALTH TALK.

What To Do and Not To Do.

Each hunter should have a front position in a duck blind with a clear unobscured view to obviate the danger of accidents. The color of the outer jacket should be such that it contrasts sharply with the color of the tree and brush foliage and that of lurking game.

A loaded gun should never be carried in an automobile. The gun should be unloaded and placed on the floor of the car.

The safety device of a gun should always be locked when the gun is actually not in play.

Climbing over a fence with a loaded gun is also dangerous. A person should first slip the gun under the fence if possible, to obviate any accidental discharge. When walking along a narrow trail, the gun should always be held with the barrel pointing well above the head. The gun should never be carried by the barrel or in such a way that it could accidentally, through a fall or bumping, be deflected against the body, permitting the discharge of a shell.

Another hazard of the hunting season is tularemia, popularly called rabbit fever. Ordinarily healthy rabbits are nimble and fleet footed. They jump and move quickly. Hunters should avoid the sluggish and slow moving rabbits, for these can be assumed to be infected with tularemia. The person who acquires tularemia is extremely sick, a severe headache as well as other pains together with a very high temperature.

Check Registration If You Wish to Vote In November Election

Unregistered Cook county residents who want to be placed on voters lists are reminded by County Clerk Edward Barrett as to who may register.

1. All citizens who have changed address since the last election, and have not already recorded the change in the permanent records.

2. Citizens who reach the age of 21 on or before Nov. 6, having lived one year in Illinois, 90 days in their county, and 30 days in their precinct, by that date.

Naturalized citizens newly registered must give the location of the court which issued their citizenship papers, and date of issue.

Persons who became citizens by virtue of their parents' citizenship papers must also be prepared to give details of these papers.

Women who became citizens by virtue of marriage to a naturalized citizen must give mar-

Tips on Traffic Safety

By
CHARLES F. CARPENTIER
Secretary of State

An analysis of the statistics for last year's highway deaths and injuries across the nation show that there was only one bright spot in the record—there were 4,600 fewer pedestrian casualties than in the previous year. This figure represented a decline of only 2 percent from the staggering total of some 235,000 pedestrian casualties during the preceding twelve month period.

Both the motorist and the pedestrian must recognize the individual responsibilities in protecting the life and limb of the pedestrian.

The motorist must exercise particular caution when behind the wheel in business sections as well as in residential areas. The grown-up as well as the child might cross a street against a traffic light—might dart into the street from behind two parked cars—or might jaywalk. A driver is on short notice if a pedestrian decides to violate a rule of the road.

All the responsibility does not fall upon the shoulders of the motorist. The pedestrian is also obliged to observe certain rules. He must wait for the proper traffic signal and then he must look to both his left and right before crossing a street. In urban areas, he must walk on the left side of the highway, facing oncoming traffic.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

To Receive Bids to Build More Illinois Highways, Sept. 28

(CNS) The Illinois division of highways has announced it will receive bids September 28 on construction projects involving an estimated expenditure of \$11,000,000 in connection with Governor Stratton's 1956 road program.

Director Edwin Rosenstone of the department of public works and buildings, announced details of the projects in which bids will be received among which will be: Will County, Po. 86 mile of concrete pavement, south bound lane and concrete base course with bituminous concrete surfacing, north bound lane, on U. S. route 66 from approximately one-fourth mile north to approximately one-half mile south of Desplaines river; an eight-span steel beam bridge over Desplaines river and paved approaches on Illinois route 7 at Lockport.

Highlights Of Farm Life

By W. F. Whiteside
Cook Co. Asst. Farm Advisor

The South Cook 4-H Federation elected new officers at its last meeting. Retiring president, Ronald Kollman, surrendered the gavel to Audrey Mascitti, the new president. The king retires and the queen takes the helm of this important 4-H organization. The retiring officers are to be congratulated for an excellent administration. I am sure the new officers will strive to maintain sound fundamental planning and execution of the program of the 4-H Federation. Other newly elected officers are: Bill Lorenz, Chicago Heights, vice president; Elaine Elbers, Tinley Park, secretary; Margaret Veldhuizen, Glenwood, treasurer; Joseph Mulderink, Worth, recreation chairman; Dick Brown, Blue Island, program chairman and Agnes Enzweiler, Steger and Sharon Kohl, Matteson, refreshment co-chairman. The 4-H Federation plays an important role in the county 4-H program. They plan and hold county wide rallies, achievement programs, officers training schools and special events. The organization also provides opportunity for older 4-H members to meet together for wholesome recreation, education and community service. Since each 4-H information through the county.

Herb Kohl, Matteson; Milton Bettenhausen, Tinley Park and Ray Meyer, Tinley Park and I attended the Dairy Day program at the University of Illinois, Urbana. Upon arrival we were treated with a sample of a large varieties of cheese. We also visited 16 different exhibits where we received information on nutrition, dairy testing, diseases, management techniques and a host of other subjects. Of particular interest was prevention of milk fever in high producing sows by the use of irradiated yeast to supply large amounts of vitamin D in the ration. Yeast is added to the ration 7 days before estimated calving date, and fed at the rate of 7.5 ounces per day. Divide daily allowance into two feedings provides extra calcium and phosphorus in grain ration. Use 2 percent dicalcium phosphate or steamed bone meal. Yeast may be mixed with grain or silage or in a special mixture. DO NOT continue feeding yeast for more than 7 days. If you wish more information about Dairy Day, drop in at the office.

The major effort here in the county Agricultural Extension office this week was program planning. The climax of the programing effort was a meeting with about 50 farmers to set down on paper the requirements for the 1957 program. This was done through 6 sub-committees. Herbert Kohl, Matteson, guided the discussion of the Soil and Crops sub-committee; George DeVaries, Evergreen Park, the Vegetable sub-committee; Charles Erickson, Mokena, the dairy and livestock group; Ray Termunde, Worth agricultural engineering and safety; Paul Sanders, Palos Park, information to Farmers and Earl Siemsen, Tinley Park, was chairman for the 4-H and Family Living sub-committee.

The latter group recommend county wide meetings in Wills & Estages, Farm & Home landscaping and social security. The other sub-committees recommend meetings, demonstrations, tours and surveys in their respective areas. I feel that a well rounded program will grow out of this planning. I would like to thank all the people who contributed time and effort in the program. I am looking forward to seeing a great number of you at one or more of the events mentioned above. Watch this column for announcements and further information.

The Elwood Experiment Field day proved very interesting. A number of farmers from this area were present. Carl Engelhardt and Edwin Englehardt of Tinley Park drove over with me. I talked with Bill Stelter, Tinley Park, at the meeting and he brought a teacher from the Homewood school system with him. This teacher, Mr. Lunzer, was interested in teaching his students more about soils and soil conservation. This type of instruction will be a welcome addition to the school curriculum. Conservation of our natural resources is important to our entire economy, not just to agriculture alone.

The County 4-H committee, with the help of Mr. O. F. Gaekbe, University of Illinois 4-H specialist, graded the 4-H record books last week. The committee named 30 county outstanding members and 112 County Project honor members. These outstanding young people will be honored at the County 4-H Recognition night, Nov. 1, at the Homewood village hall.

The overall quality of the 4-H records is higher than last year. The committee rushes to congratulate all 4-H members. Now is the time to start next year's 4-H records to assure even higher quality work next year.

Business spends thousands of dollars each year to keep up with market conditions, but it will not cost you a cent to find out about farm market conditions, if you attend the livestock Outlook meeting to be held Sept. 28 at 8 p.m. at the Farm Bureau building in Tinley Park.

The purpose of this meeting is to furnish information about the economic situation and its possible effect on your dairy, livestock, poultry and feed business. What is the situation this year? What will happen in the next 12 months? Nobody knows for sure, but University of Illinois farm economists believe returns to producers will be higher. Come to the meeting for a first hand report.

For the petunia in your flowerpot or the corn in your field, soil plays a vital role. Soil supplies the nutrients these plants need in order to grow.

But plants gradually grow weaker and yields drop if nutrients are not put back into the soil.

A soil test can tell you which nutrients your soil needs. You can get your soil tested in our County Soil Testing laboratory. This chemical inventory will enable you to improve productivity.

For additional information on care of your soil write for Uni-

versity of Illinois Circular 758, "Understanding Soils". You can obtain these at my office. South St. and 66th Court in Tinley Park, they are free of charge.

Bremen VFW

The social meeting of Bremen VFW Auxiliary was held Sept. 18 and presided over by Bess Seeley.

Gladys Elliott reporting on their trip to Hines hospital last Tuesday and requested late editions of magazines. She will gladly pick them up and deliver them to the hospital for the veterans. Tillie Steinhagen, Anne Morrison, Gen Canter and Bess Seeley also worked at the hospital.

The Auxiliary was represented in the "I Am An American Day" parade at Oak Forest Sept. 16. On the same date, the officers of the 16th district and delegates attended the first official meeting of the district at

Steger. This meeting was a school of instruction.

The Auxiliary appreciates the patronage of the public and the help from the merchants which helped make the smorgasbord a huge success.

October 6 is the date of the rummage sale.

Hostesses were Lorraine Miller Myrtle Houle and Gladys Elliott.

Square Dancing at Community Center Starting Oct. 10

Ray Meeder of Palos Heights will call for the square dances to be held at the Community Center Foundation on Southwest highway at 127th, during the fall and winter months.

Dances will be held in the Great Hall on the second and fourth Wednesday evenings of each month starting Oct. 10. Calling for the squares will start at 8:30. However, if beginners wish special instruction in the fundamental figures, they may come to the Foundation an hour before the regular square dancing begins.

Meeder is well known in the area as he has been in great demand as a caller for the past several years. He is a member of the Chicago area Callers' association and also of the Chicago Round Dance Leaders' society. He states that square dancing is one of the earliest American folk expressions, having been brought to this country by the first settlers. The past decade has seen a great revival of interest in this recreation and has appealed to young and old alike.

Newcomers to the area are especially invited to join this group as it provides an opportunity to become acquainted with congenial neighbors while enjoying an evening of fun and relaxation. Anyone wishing further information may call the Foundation office, Gibson 8-0780 week days between 9 and 5.

Farmers Invited To Hear Benson At Rally Oct. 3

Hundreds of local farmers are planning to attend a big rally Wednesday, Oct. 3, at a farm near Huntley, Ill., some 55 miles northwest of Chicago, where Secretary of Agriculture Ezra Taft Benson will dedicate the Thor Research Center for Better Farm Living.

Secretary Benson will give a major farm policy speech in the early part of the afternoon. He is expected to touch on problems that are of special interest to farmers in this area.

Farm families will be welcomed at 10 am. at the site for the program, Colleen's Cote Farm, four miles north of Huntley off of Route 47. Road signs will be posted in the vicinity to aid motorists.

First they will have guided tours of the Research Center's Model Farm Shop, which contains 2,000 tools, machines and accessories that are used today in repair and maintaining farm equipment. The model shop will be the testing and development center for much of the work carried on by the Research Center.

Visitors then will be entertained at a series of field demonstrations showing new methods of handling farm chores, latest developments in power farming and means of repairing and maintaining equipment.

Joliet High School Offers Cultural Program to Adults

Each year the adult education division of the Joliet Township high school and junior college offers what is known as "Your World Today" series. Lectures, film lectures, panel discussions and demonstrations are included.

The cultural program includes travel, science, foreign and local affairs.

Authoritative and eminent speakers have been engaged for the series which had its first session on Wednesday, Sept. 26.

There will be ten outstanding programs by famous lecturers.

Anyone desiring further information may contact Susan H. Wood, assistant director of adult education, at Joliet Township High School, in Joliet.

Two plants for production of zirconium recently announced by the Atomic Energy Commission will be located in coal areas. Zirconium production takes about 20 kilowatt hours of power for each pound of product.

TODAY'S meditation

The Upper Room
© THE UPPER ROOM, NASHVILLE, TENNESSEE

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

We preach not ourselves, but Christ Jesus the Lord. (II Corinthians 4:5.)

One day a painter was summoned before the Tribunal. There he received the word that one of his paintings had been considered as an invitation to revolt. It was demanded of him that he paint another picture which would annul the first one. The artist answered: "We, the painters, are artists; we have inspiration and we obey it, even though it displeases the mighty."

Innumerable times, the servant of God is tempted to live his life in such a way that his regeneration would be made of no effect. He is invited to do this because his life in Christ is an invitation to other souls to abandon sin. But as a good and faithful servant he stands firm and answers with his Christian testimony.

If we obey the Savior, even though provoking the dislike of the powerful forces of evil, the King will one day say to us: "Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world."

PRAYER

Beloved God, we are grateful to Thee because Thou hast kept us from the evil which surrounds us. Strengthen our faith. Clarify Thy law, so that it may speak to us of Thy power and love. For the love of Christ. Amen.

Thought For The Day

The just live by faith.
Paulo Alexander R. de Freitas (Brazil).

Christian Science Churches

Man's God-given ability to cope successfully with fear, sickness, and all discord will be emphasized at Christian Science services this Sunday, September 30.

Keynoting the Lesson-Sermon entitled "Unreality" is the Golden Text from I Timothy (1:7): "God hath not given us the spirit of fear; but of power, and love, and of a sound mind."

The account of Jahaziel's prophecy and the overthrow of the enemies of Jehoshaphat (II Chronicles 20) will be included in passages to be read from the King James Version of the Bible. From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (228:25-27): "There is no power apart from God. Omnipotence has all power, and to acknowledge any other power is to dishonor God."

Lutheran Hour To Begin Season's Broadcast Sept. 30

The Lutheran Hour, the world's most extensive religious broadcast, will begin its 24th consecutive season of broadcasting, Sunday, September 30.

This world-wide radio crusade against sin truly constitutes a modern missionary miracle whereby one denomination proclaims the Gospel of Christ with an extent, penetration, and speed hitherto unknown. Sponsored by the 70,000 members of the Lutheran Laymen's league, the Lutheran Hour has become the world's largest network, religious or secular, commercial or sustaining. This year it will be aired over 1,250 stations in 56 languages and in 65 countries.

To commemorate this unprecedented achievement 270 Lutheran churches in Northern Illinois are planning now to stage a gigantic rally, Sunday Oct. 21, in the International Amphitheatre 42nd and Halsted streets Chicago. The Rev. Dr. Oswald C. J. Hoffman of New York will be the speaker. As the regular Lutheran Hour speaker his weekly messages are beamed to an international radio audience of

20,000,000 listeners.

"Bringing Christ to the Nations," as this program is known officially, is heard locally each Sunday over WMAQ at 12:30 pm.

The Chicagoland rally Oct. 21 will be a one and one-half hour inspirational service, beginning at 3 o'clock. Besides the address by Dr. Hoffman, it will include a 3,000 voice chorus and a special brass ensemble.

\$259,000 Suburban
Goal in 1957
Heart Fund Drive

Organization of top volunteer leadership in the Suburban Division of the 1957 Heart Fund Drive of the Chicago Heart Association is already well under way, according to announcement by Clare A. Ellison, Campaign Director of the Suburban Division.
1957 goal of the Suburban Division is \$250,000, its estimated share of Chicagoland's over all goal of \$910,000. The 1957 campaign will be conducted thruout the month of February, with the climax on Heart Sunday, Feb. 24 when thousands of volunteer workers throughout the area will conduct a house to house canvass in their respective neighborhoods giving each individual an opportunity to participate in the tremendous effort to stamp out heart disease.
Several questions regarding wheat seeding have helped bring out this information: (1) Many years of testing has shown wheat seeded in this county September 19-22, has resulted in highest yields. (2) These same seeding dates are recommended for Hessian fly control. (3) So why sow wheat any earlier and help build up the population of this destructive insect. Adapted varieties of wheat for this area are Pawnee, Ponca and Westar. Use proper management to assure a thick stand or chinch bugs will severely damage the crop.

Hospitalization
Plan Gets Backing
Of Health Group

The Will County Health Improvement Association is sponsoring another enrollment drive in the Blue Cross hospital and Blue Shield medical plan in the rural sections and smaller communities.
Chairmen in this area are: Mrs. Joseph Scott, Frankfort; Mrs. Ray Walsh, Green Garden; Miss Evelyn Bentley, New Lenox; Mrs. Galvin Holloway, Homer-Lockport.
The campaign is to end Oct. 1 and is aimed at persons who either live on a farm or in a town of less than 2,500 and be in a group of less than 10 persons.

Tinley Personals

Boy Scout pack 255 spent Saturday afternoon, Sept. 22, at the Sox park, enjoying the ball game. Attending were 58 Cub Scouts, nine chiefs and six adult leaders, including George Laus, Jack Frank, Billy Wheeler and Mrs. Ralph Kimmel.

While enroute to work, Sept. 14, Mike Haber severely wrenched a muscle in his leg, which necessitated his taking a week off from work. It seems this small catastrophe took place while going down in the elevator at the LaSalle Street Station. While Billy Wheeler, who assisted Mike to the doctor, was quite helpful, his remark regarding Mike losing weight or growing handles was a little on the doubtful side.

The next general meeting of the WSCS of the Tinley Park Methodist church will be Oct. 2 at 8 p.m. in the church parlors. A program entitled "See You at the Polls" will be presented. Mrs. Erwin Johnson is chairman. All women of the church are cordially invited.

A workshop for all department heads of the Nazarene church was held last Saturday evening at Kankakee in the First church. Those attending from Tinley Park were the Rev. and Mrs. Dallas Nucci, Mrs. Lowell Farquhar and Mrs. Homer McCutchen of Tinley Park and Jeannette Gustafson of Oak Forest. Following the evening's workshop, the group were invited to the home of the Rev. and Mrs. Ted Kerr for an hour's fellowship.

Mr. and Mrs. P. L. Jochum and daughters were dinner guests of Mrs. Frank Peterson in Berwyn last Sunday.

The women who are interested in joining the group of ladies who want to get the kinks out and limber up by exercising in the Tinley Park public school each Thursday evening, may call the following: Mrs. Frank Kappel, KE 2-4177, Mrs. Martin Zimmerman, KE 2-4162 or Mrs. Edwin Balkar, KE 2-4965.

Mr. and Mrs. Ross Childs of Fountain Lake, Fla., parents of Mrs. Witherspoon, are house guests of the James H. Witherspoon Sr. family.

Mr. and Mrs. Michael Sullivan and son are newcomers to Tinley Park, having recently purchased the Wm. Oliver home at 17858 65th ave. They formerly resided in Knox, Ind. Mrs. Sullivan is a sister of Mrs. Anton Stech.

The Elmer Peterson family recently returned from an enjoyable trip thru the South. They spent several days visiting friends in South Pittsburg, Tenn. Glen Lewis and family had as their houseguests this week his mother of St. Louis.

Brownie troop 333 had a cook-out Wednesday at the home of their leader, Mrs. Chas. H. McCutchen. In spite of the brisk wind, the hobo stew was a success as evidenced by the rapidity with which it disappeared.

Christine Bixler and Patricia Steeve were guests.

Patsy Miller, daughter of Mr. and Mrs. V. S. Miller, has entered Beloit college in Beloit, Wis. where she will major in music.

David Griebel, 5 years, returned Tuesday from Silver Cross hospital following surgery. He is doing fine and will be out with playmates soon. David is the son of Mr. and Mrs. Alfred Griebel of 6666 Ravinia drive.

Richard B. Veleta has enrolled at Central college, Fayette, Mo. He is the son of Mr. and Mrs. Marnell V. Veleta of 6637 174th place.

Famed Lyric Tenor Soloist at Nazarene Sunday, Sept. 30

Raleigh Isaacs, lyric tenor from Chicago, will be the soloist at the Nazarene church located at 7265 W. 171st st. at 7:30 pm. Sept. 30.

Mr. Isaacs is a former Chicago-Land Music Festival winner and as an aftermath of this honor, appeared on a popular television show as a guest.

He has also travelled all over the country, singing in churches and in classical and sacred concerts.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

The Mothers club of Wells Corner School held the first meeting of this season at the school last Friday. Officers elected were: Mrs. Owen Ott, president; Mrs. William Clements, secretary and treasurer; Mrs. Anthony Zolecki and Mrs. Frank Townsend, Ways and Means committee. Tentative plans were made for a card and bunco party for October. The next meeting will be at the school Friday evening, Oct. 5. All women of the district are urged to attend.

Death of Carl Anderson

Funeral services were held Saturday afternoon at the Goodale funeral home, for Carl L. Anderson, 83, of East 7th st., Homer twp. He died at the Oak Bluff Nursing home on Lockport road, Sept. 19, following a long illness. He was born in Sweden Feb. 22 1873, and had lived at his present home on the former S. W. Jones farm for 21 years. He was a member of the Evangelical Covenant church of Lockport.

Surviving are a daughter, Mrs.

Arvid Anderson, also of Homer; a grand daughter, Mrs. Richard Quinley, Buffalo, Ill., and two great grandchildren. His wife, Linda, and a son, Clarence, preceded him in death. Burial was in the Lockport cemetery.

Death of Mrs. Wm. Kaste

Mrs. William Kaste, nee Clara Schween, aged 72, died at her home at 159th and Homer road, Monday night, Sept. 17, following a long siege of illness. Funeral services were held from the Schmaedeke funeral home at Orland Park to St. Paul's Lutheran church in Lockport. Burial was in Bethania cemetery.

She is survived by her husband; two sons, Martin and Albert; three daughters, Henrietta Goltz, Clara Kovarik and Laura Kass; also 13 grandchildren and 5 great grandchildren. A son, Walter, preceded her in death.

Mr. and Mrs. Kaste moved to Homer twp. from Worth about 10 years ago and have endeared themselves to all who have known them there.

The Wayside Workers Circle of Kings Daughters will meet in the home of Mrs. Reed Burch, Thursday, Oct. 4 at 1:30 pm. Members will please bring plants or other saleable articles

to be sold at the meeting.

Mrs. Ralph Waldvogel entertained at a six o'clock dinner in her home last Tuesday evening in honor of Mrs. Caroline McCumber and Mr. and Mrs. Harold Dudley and family of Denver, Colo. Other guests were the Irving Volraths of Lemont, Mr. and Mrs. Harlow Jungles, Miss Jean Jungles and Donald Waldvogel. Mrs. McCumber and the Dudleys have returned to Denver after a visit with relatives here.

Ray Carlson was a Milwaukee business visitor last week.

All local teachers will attend Teachers' Institute in Joliet Oct. 1. Pupils will have the day off.

John Hollister attended the Laymen's retreat at Pilgrim Park near Princeton Saturday and Sunday. Jerome Paddock who was to have gone was kept at home by illness.

Several persons from here attended the successful church supper at Marley Thursday evening.

Loren Aspel is a patient in Silver Cross hospital where he will again undergo surgery on the hip which was injured in an auto accident more than a year ago.

Randall Storm is in the hos-

pital for observation. He suffers from a heart ailment.

Mrs. R. W. Carlson served as organist at the Stahl-Elder wedding at the New Lenox Methodist church Thursday evening.

The Rev. and Mrs. A. E. Talbert and family of Huntley called on Homer friends Tuesday evening. A building campaign at the Huntley church estimated to cost \$75,000 is being launched under Mr. Talbert's leadership. The addition is to include 8 class rooms, office, kitchen and dining room.

Permits for two new homes to be built in Homer twp. have recently been issued: one to Christel Koehler for a 5 room brick veneer, ½ mile west of Gougar road on the south side of Route 7, to cost \$15,000 and one to Paul Lippegau for a 4 room frame 2½ miles east of Lockport twp. line at a cost of \$7000.

Mrs. George Ott of Lockport spent Sunday with the Willard Rowleys.

More coal is handled through Huntington, W. Va., than thru any other port on the Ohio River. In 1954 this port shipped nearly 7.5 million tons of bituminous.

REMEMBER, ONLY GAS GIVES SUCH MATCHLESS PERFORMANCE!

Now... DIAL any heat ...Matchless GAS top burners maintain it automatically!

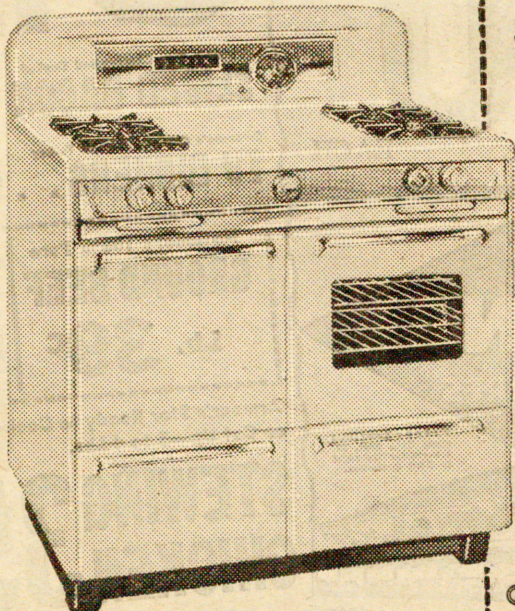

Select the heat you want—say 375° for French frying—set the burner, forget it. It'll stay at 375°, never vary and the results will be perfect. The new "thinking" GAS burner does the trick; every pan becomes an automatic appliance.

Besides this big feature, the exciting new GAS ranges have rotisseries, built-in meat thermometers, double ovens, smokeless broilers . . . everything to make cooking easier, quicker, better—at half the cost.

Now's a good time to see these matchless ranges. We're offering special sale prices and liberal trade-in allowance on your old stove (as much as \$68!).

PROMPT...COURTEOUS...DEPENDABLE SERVICE

PTA News

Last Wednesday evening proved to be one of the most important dates for Kirby McIntosh school as a group of parents met at the school building, 173d and Ozark street to hear Mrs. Edward Pettijohn, District 19 Director, Illinois Congress of Parents and Teachers speak on the many advantages obtainable with membership in this great association. Mrs. Lester Rockrohr acted as temporary chairman.

A nominating committee was elected, who immediately following a short intermission of business, presented a slate of officer who were duly elected and installed. Those elected were Mrs. Harold Bell, president; Mr. James Fitzgerald vice president; Mrs. Joe Yokely, secretary and Mrs. Richard Steckham, treasurer. A set of by laws were adopted by the group present. There were 30 charter members registered as Mrs. Pettijohn was requested by the group to enter their charter with the ICPT.

October 9 has been dated as meeting night, with the hour of 7:30 at the School Building.

The newly elected officers pledged to strive to fulfill the objects of the National Congress of Parents and Teachers which are: "To promote the welfare of children and youth in home, school, and church and community; to secure adequate laws for the care and protection of children and youth and to promote a closer relationship between the home, school, parents and teachers.

Doctor

The Doctor School PTA held its first meeting Sept. 13 at the school with 28 members of the community attending. A welcome address was given by Mrs. Lynn Carl. Mrs. Elmer Aggen, program chairman, introduced Marie Urenos who demonstrated flower arrangements.

Bulbs, potted plants and flower arrangements were awarded to Mrs. Vivian Shoop and Mrs. Henry Andresen for correctly identifying samples of blossoms and leaves and to Mrs. Rudolph

Bayer, Mrs. Sigfried Kurzweil and Mrs. Lynn Carl for guessing the weight, length of stalk, and diameter of the head of a giant sunflower on display.

Refreshments were served by the PTA officers, Mrs. Rudolph Bayer, president; Mrs. Herman Gee, vice president; Mrs. Thomas Thurbee, secretary and Mrs. Gordon Doctor, treasurer. After the meeting, bouquets of cut flowers were given to those who wanted them and the flower arrangements were left for the children to see and enjoy in their classrooms the following day.

Orland Park

The Parent Teacher Association of the Orland Park elementary school will meet Wednesday, October 3 at 8 pm., in the school library.

The organization's theme for the year is "We Build Today for Tomorrow." At this meeting, parents will have the opportunity to meet their school board, the school principal and members of the teaching staff, after which parents will meet in their respective rooms where teachers will acquaint them with the curriculum of the year.

Arrangements for the meeting have been made by the program committee consisting of Mrs. Hans Bader, Mrs. John Barton, Mrs. Harry Anderson and Dale Lang. A business meeting will precede the program.

A social hour will conclude the meeting, with refreshments served by the members of the PTA board who urge all parents to "come and meet your child's teacher."

A two day leadership training workshop conducted by Mrs. Arthur Williams, field representative for the Illinois Congress of Parents and Teachers, was held at the Field house in Blue Island on Sept. 17 and 18.

Delegates representing the Orland Park PTA were Mrs. Joseph Kaiser, president, Mrs. Hans Bader and Mrs. Victor Scheber. The meeting was a round table discussion so almost everyone had a chance to contribute to the program. The theme of the discussion was "Parent Teacher Objectives" and the delegates report an extremely inspiring session.

Frankfort

The Frankfort Parent Teacher association membership drive held during the week of Sept. 17, was very successful. Total membership now stands at 183. Rooms winning awards were sixth grade with 95 per cent and eighth grade with 92 per cent. The teachers will receive awards at the next PTA meeting.

Skating will be resumed in the Frankfort school gymnasium starting Tuesday, Oct. 2. Beginners and children in grades one thru five, will skate from 6:30 to 7:30 pm. for 25 cents. Sixth graders and up will skate from 7:30 to 9:30 for 50 cents.

The PTA executive board met Sept. 26 in the school.

The PTA publicity chairman advises the council meeting in the Frankfort school Oct. 4,

will be for the Eastern Will County Area council only and not for all of district 22.

Adults May Earn H. S. Diplomas By Taking Tests

Adults interested in earning a high school diploma from the Lincoln-Way High school have an opportunity of taking the G. E. D. tests administered at Joliet Township High school. If the results of these tests are in keeping with the established standard scores and percentile rank, the person is then eligible to apply for a Lincoln-Way diploma. The examinee must have an average score of 45 on the five tests and no score lower than 35 on any one. Also, the

person must be a legal resident of the school district and over twenty years of age.

The tests are given in the five following areas: correctness and effectiveness of expression, interpretation of reading material in the social studies, interpretation of reading materials in the natural sciences, interpretation of literary materials, and general mathematical ability.

The "Plant Illinois" experts caution that there may be exceptions to the "rule of thumb," and they recommend that home owners call on their local nurseryman or landscape dealer whenever new fall plants do not appear to be as well established as liked

VOGT'S

SHOPPING CENTER

6775 W. 147TH ST.

TINLEY PARK

Laguna Woods

Mrs. Robert Anderson
Feldbrook 9-2857

Every one was sorry to hear of little Dorothy Sneddins accident last Sunday afternoon. The child was injured in a fall from her bicycle and is in the care of her family physician.

One of this year's cheer leaders at Carl Sandburg high school is "Joey" Militello.

Happy birthday to Rhett Brown who celebrated his birthday recently.

John Tabbert and members of the Circle A ranch had an outing via horse back to Maple lake where their respective families met them with picnic hampers of fried chicken and other appetizing dishes.

Laguna Woods welcomes Mr. and Mrs. Carl Olson and son David to the community. The family moved in over the past weekend.

Mr. and Mrs. Mose Hygie and their six children plan to move into their home this weekend. Mrs. Hygie, who is a registered nurse has already endeared herself to several of the mothers of this community with her calm good sense in emergencies and has saved a good many doctors an unnecessary trip to Laguna, however if the emergency has required the attentions of a physician she advised the call.

The culprits who placed the boulders on a neighbors driveway last Friday night did more damage than they may have intended. He backed his automobile down the darkened drive and smashed into the huge stones and damaged his car!

The ladies Auxiliary of the Palos Heights Christian school are holding their rummage sale at 7050 south Halsted street in Chicago Friday, Oct. 5 beginning at 8:30 am. Contributions to the sale would be appreciated. Any article of old clothing, pictures or odds and ends that you no longer want may be taken to the school or to Mrs. T. Verhagens' home in Laguna Woods.

Several ladies employed by Edward Hines Lumber Co. and former co-workers of Mrs. Anderson were dinner guests at her home Friday evening for Creole shrimp dinner. Guests from Chicago were Mesdames Ellen Cullen, Judy Davis, Florence Kosmalla and Grace Kenelly whose son has the currency exchange in Worth, also Miss June Billings, Miss Margaret Sorenson and Mrs. Rose Machtemes of Evergreen Park and Joan Franz of Stewart Ridge.

If you are interested in attending the turkey smorgasbord at Carl Sandburg you may be able to secure tickets and more information about the dinner

from students attending high school.

July Sales Tax Nets 805 Towns \$3,956,667

City sales tax collections during July netted 805 Illinois municipalities \$3,956,667, according to a state department of revenue report. The July collection represents the half cent city sales tax on business transactions during June.

The following is a list of local areas participating in the July collections and the net each will receive:

Frankfort, \$763.48; Markham, \$706.71, Matteson \$585.08, Midlothian, \$1,970.29, Mokena, \$921.29, Oak Forest \$723.26, Orland Park, \$591.56, Park Forest, \$7,412.14, Peotone, \$950.55 Posen \$821.34, Richton Park, \$205.55, Robbins, \$506.63, Tinley Park \$1,868.49 and Worth \$1,641.06.

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Feldbrook 9-0211

Donald Oranger, son of Mr. and Mrs. Elston Oranger, who has served in the Army for 18 months in France, left Paris Friday via plane and arrived in Orland Sunday. He expects to receive his discharge from Ft. Sheridan this week.

Girl Scout News

Brownie troop 460

Brownie troop 460 of Tinley Park opened their fall session with much enthusiasm and welcomed Susan Chodl, Robin Lillie, and Peggy Troy as new members to their ranks.

Katherine Hansen was elected first president of the year and discussed many plans and activities which the group intend to fulfill.

At their following meeting the troop divided into two parts. The elders, with their leader, Mrs. Sidney Feiwell, took the lead on an important hike and laid a trail to mark the route. The younger group, with Mrs. Stanley Sterkowitz, co-leader, followed the trail to rejoin their troop mates for a game session.

Mothers of the troop met at the home of Mrs. Sterkowitz last Thursday evening, and discussed the ways in which they could each help the troop. A cook out and many other events of interest were planned. The mothers also enjoyed a pleasant social hour with refreshments.

Mrs. Raymond Anderson, 6930 183rd St., has been selected to head the 1956 Tinley Park Girl Scout Jamboree committee as general chairman. Mrs. Anderson has an admirable record of service to Girl Scouting and has work with previous jamboree chairman on various sub-committees. She has had experience with both intermediate Scouts and Brownies and at the present time is representing Brownie troop No. 333.

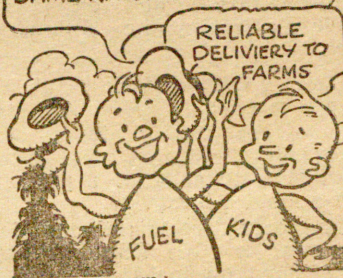

The new chairman called a

meeting at her home, Sept. 12, 460, 315, 97, 261, & 412 were for the purpose of appointing sub-committees and general organization discussion.

Representatives from troop be held early in November.
